

POSConnect

Eftpos cash out solution

POSConnect is an Eftpos based cash out solution, designed for venues where access to ATMs is restricted.

To suit the individual needs of your venue, POSConnect comes in 3 configurations: standalone, remote controlled or under-counter.

Benefits of a POSConnect:

- + Compliant:** Fully complies with state/territory restrictions
- + Reliable:** Industry leading up-time of 98.5%.
- + Competitive rates:** Competitive rates with flexible terms and conditions.
- + Omni VISION:** Connects to our Omni VISION online portal allowing you to remotely monitor the POSConnect as well as other Banktech/Utopia devices.

24/7 help desk

365 day field service

ATM Plus

Features and Specifications

- + Level 1, 24 hour rated safe.
- + User-friendly design with clearly defined layout.
- + 2,300 notes per cassette.
- + Up to 4 denominations.
- + CIT or self-funded cashing options
- + 98.5% up-time

How it works

1

Staff member selects requested cash out amount.

2

Requested amount then appears on screen for customer to approve.

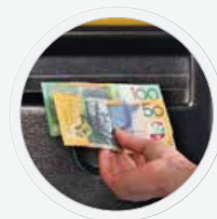

3

Cardholder inserts card and follows the instructions on the EFTPOS PINpad

4

Cash is automatically dispensed, cardholder removes card and collects cash
