

2021 AAU Junior National Volleyball Championships  
Waiver and Release For Minors

There are certain inherent risks associated with participating in sports, either as an athlete or spectator, which cannot be eliminated. These risks include, but are certainly not limited to: (1) minor injuries such as scratches, cuts, bruises and strains; and (2) major injuries such as injuries to the eyes, infection, contracting a virus or disease, loss of sight, joint injuries, back injuries, heart attacks, concussions, paralysis and even death. COVID-19 is extremely contagious and is reported to be spread through the air, from touching contaminated surfaces and from person-to-person contact. There is no known treatment or cure for COVID-19, which can cause severe illness and death. Federal, state and/or local governments have recommended and/or required precautions. These recommended practices have evolved over time. These recommendations have included, but not limited to, social distancing and wearing face coverings to lessen the spread of this virus. Please contact the Centers for Disease Control (the CDC), your state and/or local governments for the most up-to-date information and guidance. The AAU, facility or event host may require additional precautions beyond the state and/or local government and the CDC.
