

Sr. Margaret Gremпка's reflection to our Province on the anniversary celebration of the Deutschland in 2012, was placed on our international webpage. It was read by Fr. Dasappan Vattathil from India, a doctoral candidate on the works of Gerard Manley Hopkins. During a trip to Oregon, Fr. Dassapan asked if there was any way to meet Sr. Margaret. Sr. Margaret arranged to visit Sr. Clare who was living in Oregon at the time so they could both meet Fr. Dassapan. Here, Sr. Margaret gave Dassapan a larger context of our province and congregation.
