WHEATON FRANCISCANS

BLESSINGS

United in a Time of Global Pandemic

For the Gift of ... Partners in Ministry

Hello Wheaton Franciscans...from the Tau Center Staff....

We miss being at Our Lady of the Angels and seeing all of you! We also miss seeing the prairie coming to life with the beautiful grasses and flowers - something to look forward to! We three continue to stay-in-place in our homes while working remotely. Christine and Sharon have been busy working on updates and edits to the Tau Center website as well as planning for future events and programs. Glenna has been "meeting" with spiritual direction clients by phone and video chat, as well as producing a video series for the Tau Center YouTube channel. (please check them out:

FOR COLLEAGUES

AND THEIR FAMILIES

Dear WF Sisters, Covenant Companions, Associates and Friends

I want you to know how much I miss you all and I hope the smiles on our face will warm your hearts. Be encouraged and keep smiling.

“A smile is happiness you’ll find right under your nose.” – Tom Wilson

Andre, my husbands, says to tell everyone hello (smile).

Stay healthy,

Melanie Turner

Dear Sisters and essential staff,

I have missed seeing all of you. Thankful for the good news that no one at OLA has been sick from the virus. We are watching the news updates like many right now and it has been difficult to see so many lives lost and family’s affected. Trusting God who gives all we will need to get thru this difficult time.

I stay in touch with Mary K, Cheryl Ward, Janet and Sue Pelzer and Jennifer H., So I am thrilled to know that our Sisters are all well. Bill and I have been cleaning and organizing our closets and home and getting rid of old paperwork. I look forward to returning to work even though I am sure things will be very different.

I am sure the campus is blooming and looking beautiful. Just today after all of the rain we are seeing the leaves popping out and grass is nice and green

You are all in our prayers for continued health and hope you see you soon.
