

Join the Poor People's March on Washington—June 20

As we enter another election season that will likely be filled with political rancor and a distorted moral narrative designed to divide us, we must build a moral movement that revives the heart and soul of this nation. Fifty years ago, the Rev. Dr. Martin Luther King saw that the evils of racism, militarism, and poverty required a broad movement that could unite folks across the lines that divided them. Today, we must rebuild that movement and realize Dr.

King's dream for America.

The [Poor People's Campaign](#) is going digital! On June 20, organizers will hold the largest digital and social media gathering of poor and low-wealth people, moral and religious leaders, advocates, and people of conscience in this nation's history. A global pandemic is exposing the already existing crisis of systemic racism, poverty, ecological devastation, and the war economy and militarism. And the killing of George Floyd has made plain the urgency of dismantling white privilege and systemic racism—NOW.

Please plan to join us online on June 20. The program will include the stories, solutions and songs of movement leaders and artists. [Register](#) to let others know that you'll be there. On June 20, 2020, we will RISE TOGETHER. It is time to show up against poverty, racism, militarism, ecological devastation, and the need for a true moral vision for America!
