Our Lady of the Angels Partner in Ministry Retires after 23 Years of Service

Diane Lindley, an On-Call Nurse working in the Living Well, retired after 23 years of service with the Wheaton Franciscans. Diane was known for her engaging smile and her commitment to the health and wellbeing of our Sisters. The Sisters living at the Motherhouse and staff in the Living Well celebrated Diane and her many years of service with a party in her honor.

In her thank you card Diane wrote, “You...showered me with love, gifts, cards full of ... love for me. I am grateful to Jesus for each one of you. I will never forget the joy you brought to me all these years. You are all very special.” So are you Diane, best wishes on your retirement.
Our Lady of the Angels Hair Salon Gets A Makeover

In March 2020, the Hair Salon located on the fourth floor of Our Lady of the Angels motherhouse closed as a result of the coronavirus pandemic and the shelter in place orders. It was decided that it made sense to use the “down” time to give the salon space a makeover. The refreshed salon opened up to the Sisters earlier in September with a ribbon-cutting ceremony. Pictured to the right is Sr. Jane Ann Kiefer cutting the ribbon at the entrance of the salon.

Remote Staff Gather for a Virtual Picnic

The Interim Regional Leadership Team, Srs. Melanie, Lynn, Trish and Alana, invited all staff working remotely to participate in a virtual “picnic” this week. The day before the Zoom picnic each remote staff person was gifted with a small picnic basket filled with goodies.

Although we look forward to the day we can all picnic together, it was a joy to see one another’s faces and to have the opportunity to gather.
