Minutes for the April Meeting 1926

The regular meeting of the Johnstown Branch of the American Association of University Women was held on Thursday evening April 15, 1926 at the home of Mrs. W. Rush in Southmont. The meeting was called to order by the President, Miss Sophia Moiles. After the reading of the minutes the treasurer, Miss Alice Gocher, read her annual report. Miss Margaret Hinchman and Mrs. Joseph Preston were asked to audit this report. The question was raised and discussed concerning the $205 gained from the Marionette Play given under our auspices last December. It was announced by the President that unless our organization was willing to use the money for establishing a scholarship fund for Johnstown High School girls, the school board would have to charge us the regular fee of $100. A motion was made by Miss Glenn that we pay the $100 for the Auditorium and use the remaining $100 toward establishing a scholarship fund. This motion was seconded by Miss Rush, discussed and voted upon. As those voting for it were in the minority the motion was lost.
Mrs. Hager then moved that we adopt the statement prepared for the school board, in compliance with their request, and thereby save the $100 for our scholarship fund. This motion was seconded put in a vote and carried. Miss Moiles called attention to the paper in circulation which had been prepared by the executive board and explained that it was a plan for establishing two scholarship funds.

As this was the meeting for the annual election of officers the nominating committee presented the following ballot from which the president, secretary and three members of the executive board were to be elected.

Meanwhile the principle feature of the evening was a delightful account by Dr. Rush of their trip to Japan. This account was made very real to us by some very interesting colored slides.

At the close of his talk, Miss Moiles announced that the results of the voting were:

He spoke of the better development of leadership in a small group than in a larger one, and said that students from Junior Colleges were better able to take their places in the Junior year of a large College than many of the students who had been there for two years. In response to a questionnaire, Dr. Crawford said the three reasons given for preferring a Junior College to a large college or University were - to be with friends, financial, and convenience.

Novel and Delightful Puppet Show, Sponsored By
Merchants and Clubwomen, Attracts Three Large
And Well-Pleased Audiences—Will Be Repeated
In Three Performances Next Saturday—Animated
Figures Present Incidents From Story-Book Land
In Pleasing Manner—Proceeds to Aid Girls Seek-
ing Education

Tiny figures from story-book land came to life on a miniature stage Saturday in the auditorium of the Johnstown College School to provide hundreds of delighted children with a novel and absorbing entertainment.

Three times during the day the first puppet show staged by the Johnstown College club in co-operation with local business houses played to highly-pleased audiences of school children and not a few adults. Breathless exclamations, absorbed silence and peals of youthful laughter coming in rapid succession throughout the performance, gave unmistakable evidence that the event—sponsored by the clubwomen in connection with their splendid work of assisting girls through college—found a definite place among the community’s entertainment offerings.

“May we come back again next Saturday?” was the excited question which greeted the club members at the close of each performance. Exclamations of “Oh, look at her!” and “Isn’t she lovely!” marked the appearance of the colorful and lively little figures on the stage. “Doggis, doggis,” in a childlike treble, was heard above the laughter which followed the pranks of Old Mother Hubbard’s dog, while the smallest “trained pony” in the world, who told tales with a smartly-tapping fore foot and made unexpected revelations about “naughty” boys, vied with Peter Rabbit and the three bears among the most popular figures in the performance.

To Be Repeated Saturday

The puppet show, which represents a joint Christmas gift of the college club and local merchants to the children of the community, will be repeated next Saturday, performances being planned at 10:30 a.m. and 1:30 and 3:30 p.m. Tickets will be distributed this week to children in the third, fourth, fifth and sixth grades of the city schools. Younger children, accompanied by parents, also will be welcome, and those in charge are urging adults to attend, feeling that many of them will find as much enjoyment as the children in the antics of the marionettes. Proceeds of the puppet show will be turned over to the college club’s student loan fund, which is aiding three young women this year in their quest for education and has extended similar help to a number of others in the last five or six years.

While the delight of the children seemed unbounded, it is doubtful if the youthful guests found more enjoyment in the show than the skilled puppeteers behind the scenes, giving voice and animation to the tiny figures. They had handled the slender threads which control the marionettes in private performances but Saturday marked their first public effort, making the occasion one of special interest for them. Patrons and patrons of the undertaking, many of whom attended the final performance Saturday, also found much to stamp the affair as an unquestioned success.

Wins Splendid Approval

“Scenes from the Circus” opened the program, with its leading figures including a gay, red-clad clown, whose dancing and juggling won spirited approval; Pegasus, the trained pony, and a lively little dancer. Miss Helen Haggard, Miss Ruth Hill and Miss Ada Hill were the puppeteers. “Hey Diddle Diddle,” with Mrs. Robert Mercer, Mrs. Charles Schults, Mrs. George Gerber and Mrs. Frank Geer, Jr., in charge behind the scenes, presented the popular nursery rhyme in a pleasing manner, even to the tiny cow’s leap over the moon. Mrs. Donald Matthews and Mrs. Ralph Wright interpreted “Old Mother Hubbard” in a new version in which the dog “played dead” as a joke on Mother Hubbard.

One of the most colorful sketches on the program was “The Music Hour,” presented by Mrs. Clarke Oliver, Mrs. H. T. Olander and Miss Grey. Mrs. Olander and Miss Grey also handled the marionettes in a pleasing toe-dance number, “Goldilocks and the Three Bears,” “Peter Rabbit” and “The Night before Christmas”—ever-popular bits of nursery lore—added climaxing touches to the performances. The puppeteers for the three sketches included Miss Mary Glenn, Mrs. H. J. Davies, Miss Beatrice Davies, Mrs. (Continued on page 2.)
NOVELTY AND FUN
FOR CHILDREN IN
MARIONETTE SHOW

Many Fine Attractions, Based
on Mother Goose Rhymes,
on Two Saturdays

COLLEGE CLUB SPONSOR

A program that is expected to prove a source of rich entertainment for the children of the community has been virtually completed by the officials of the Johnstown College Club, who some time ago announced the presentation of a puppet show on Saturday, December 6, and Saturday, December 13, in the auditorium of Johnstown High School.

Points out that it is the only local organization which lends financial assistance and encouragement to the girls of the community whose education would otherwise probably end with their graduation from high school, the College Club strives the need of taking care of the present beneficiaries of the student loan fund and being prepared for an increased number next year. It is with the intention of replenishing the student loan fund that the club entered upon its arrangement with local business men whereby the children of the community will be guests at the performances while the patrons make the entire venture possible.

A special performance is to be given at 3:30 o'clock next Saturday afternoon for the patrons and their children. Groups of younger children from the various sections of the city will be entertained at the other performances, which will be as follows: December 6, at 10:30 a.m. and 1:30 p.m., and December 13, at 10:30 a.m., 1:30 p.m. and 3:30 p.m.

The program arranged is one of considerable merit from the dual standpoint of entertainment and education for the children. Such attractions as that of "Hey Diddle-diddle," the opening number, in which the cow is made to jump over the moon, the appearance of the prancing horse from the Buddhist Temple of Burma and the lady of the circus from native Batavia, Java, are pointed out by the College Club officials as among the many high spots of the marionette offering.

The numbers on the program and the persons who will present them are as follows:

"Hey Diddle-diddle"—Mrs. Charles Schultz, Mrs. George Gerber, Miss Ethel Gray, Mrs. Ralph Wright, Mrs. R. Mercer, Mrs. J. J. Meyer, Mrs. J. S. Hawk, Miss Helen Haggard, Miss Avis Hill, Mrs. Sidney Gray, Mrs. Clarke Olsue, Miss Laura Ault, Miss Ruth Hill, Mrs. Henry Olander, Mrs. H. F. Davies, Miss Margaret Hinchman, Miss Margaret Hinchman, Mrs. Herbert Stockton, Miss Helen Hinchman.

PUPPETS "TAKE WELL"

Santa Claus paid his annual visit to the kiddies of the "family" of The Tribune Welfare Association on Saturday evening and presented, as favored gifts of various kinds, including roller skates, tool chests, sweaters, dancing dolls, watches, clocks, inkwells, toys, games, etc., and also with candy, oranges and apples. Santa had some job on hand and called into service a number of members of the Welfare Association to distribute the gifts. Santa Claus was given a hearty welcome by the tots.

Early in the evening members of the Johnstown Branch, American Association of University Women, pleasantly entertained the kiddies and the grownups, too, with two scenes from the puppet show that were very much appreciated. They were "The Circus" with its clever dancers and an educated horse that knew the ages of many of the children and a whole lot of things about certain members of the Welfare Association, and a timely demonstration of the well-known Yuletide story entitled "Twas the Night Before Christmas," in which Santa visited a kiddie's bedroom, filled the stockings with presents and made a "get-away" up the chimney without the sleeping children being conscious. The entertainment was given by the following cast: Mrs. H. J. Stockton, Mrs. J. S. Gray, Miss Margaret Hinchman, Miss Alice M. Gocher, Miss Elizabeth Hope, Miss Ruth Hill, Mrs. Laura Ault, Mrs. H. T. Olander and Miss Helen Haggard.

The welfare room was tastefully decorated for the occasion, including a lighted Christmas tree. Some Christmas cards were sung by the children and others with Tuder Griffith, organist-director of the Westmont Presbyterian Church, at the piano. Ruth Aurelia James, aged six years, and the party with two verses of "Silent Night" (Mohr-Gruber), singing one in English and another one in German.

Mrs. Barnhart called the attention of the members to the council meeting of the Association, to be held at Wellesley College, and the bi-ennial meeting, to be held in Boston. Each branch of the Association has been asked to send in an exhibit of its work for the year. Mrs. Barnhart asked for volunteers to prepare the exhibit.

October 20, 1931.

The October meeting of the American Association of University Women was held on Friday evening October 16, at the Capital Hotel.

The meeting was in the form of a dinner honoring Dr. Florence Richardson Robinson who came to address us in the interest of the Fellowship Fund under the auspices of the national headquarters.

After the dinner a short business meeting was held. The minutes of the September meeting were read, after which a motion was made by Miss Walter to place at the disposal of the public library a sum of money, not more than $50.00, not less than $30.00. The sum of money to be used to inaugurate a lending library. The motion was carried.

Mrs. Barnhart, the President, introduced the speaker of the evening who talked to us concerning the Fellowship Fund at the American Association of University Women. Dr. Robinson said that up to this time most of the interest of the Association has been in obtaining scholarships for high school pupils, in trying to develop educational leadership for women by beginners at the bottom to raise the educational level, this being in accordance with the old educational theory. She stated that it seemed as if the higher a girl goes in her education the less help she receives. As a high school graduate she has many chances of receiving help toward a college degree, but with each degree she obtains she lessens her chances of further help toward education. In
order to rectify this, and in accordance with the aims and purposes of the Association, which as we know are: Education after graduation, international relations, and developing educational leadership for women, the American Association of University Women has been trying to interest its branches in fellowships. At present the association controls eight fellowships, two designated and six general. The country is to be divided into twenty-five geographical units, each unit to undertake to endow a fellowship for research. Each unit should name and designate the use to which its fellowship should be given. There should be some national and some international fellowships. Fifteen should be kept for our own women. Dr. Robinson pointed out that not all the fellowships should be designated in a particular line because interests shift too easily and some should be free to shift with the interest. She also pointed out that the value of these fellowships was not alone financial, but that it solidifies the club into one project.

At the close of Dr. Robinsons address, a brief round table was held and then the meeting adjourned.

Respectfully submitted,

WILLARD L. ROBINSON
Secretary.
