

E 2020 ENGAGE EMPOWER EQUIP [HER]

In 1989 the Wesleyan Holiness Women Clergy Conference began. Thirty years later thought leaders and innovators in ministry are still gathering together for the sake of the Kingdom.

This dynamic conference gathers participants from the United States and Canada, across denominational lines, and from diverse ministry settings. Hundreds of women who are passionate about Christ and serving the church will worship together, be inspired by plenary speakers, and experience practical learning in workshops.

You can be a part of this exciting event too!

Partnering with us not only benefits our participants, but it benefits you and the important Kingdom work you are doing! If you believe in women clergy this is a tangible way to show your support.

- Consider being a **Sponsor** and get your name out in front of University students, pastors, professors, and non-profit leaders
- Set up an **exhibitor** table and provide important resources for participants while also gaining visibility for your product/organization
- Choose to be a **Strategic Partner** and see how we can serve each other in our complementary mission and vision. Denominations, large organizations and others can invest beyond the sponsor levels to make this conference a success. For more info about this, email info@whwomenclergy.org

Because the radical message of holiness requires a fresh momentum of bold women leaders, Wesleyan Holiness Women Clergy is committed to advancing Christ's Kingdom by engaging, empowering, and equipping women to lead in the Church at every level. Will you join us **March 12-15, 2020 in Ridgecrest, North Carolina?**
