HOW DO I ENROLL TO OBTAIN ACCESS TO MY W-2 EARLY?

HR Strategies has an e-W2 option when it comes to receiving your annual W-2. This is simply the electronic election of receiving your W-2 online, through your Employee Portal. We encourage all clients and their employees to elect for e-W2 in order for accessing their W-2 earlier than waiting for it to arrive in the mail. It is convenient to access and you can download all historical W-2s if and when needed.

Note: If you elect for e-W2, you will NOT receive your W-2 via mail. Instead, login to your Employee Portal account to view and/or download the applicable tax year.

In order to elect for e-W2, you will sign-in and navigate to the Tax tab (in the menu). You will then click on W-2. If you are not enrolled in e-W2, you will see an option to enroll, as shown below. If you have already enrolled, you will be presented with a message stating the date on which you elected to be an electronic recipient.
