

Welcome,

I am honored to welcome you to the 90th Annual Business Meeting of the Milton Hershey School Alumni Association. This has been one of the most unusual periods of time in our history since the COVID-19 pandemic gripped our nation and turned everything inside out and upside down. It has been one of the most challenging years that we have experience, both as individuals and as an organization. We are definitely in uncharted territories when it comes to this pandemic. One example of that is for us to have to meet like we are today. Virtually. I am saddened that I could not greet each of you in person this weekend in Hershey for our annual Homecoming festivities, however, I think you would agree with me that the decision to cancel Homecoming weekend, though not taken lightly, was a very wise and prudent one. So we had to devise a way to meet with you as required by our Association by-laws to keep you, our stakeholders, aware of the work of your Association. We ask that you bear with us as we work through this situation and hope and pray that normalcy will return one day soon.

Sincerely,

Mike Mulderig, '71

MHSAA President
