The Ashburton A & P Show

The Ashburton A & P Show is held annually at the Ashburton Showgrounds. It is the largest annual rural event hosted in the Mid Canterbury District and one of the larger A & P shows in the South Island. The show is vibrant and draws exhibitors, sponsors and supporters from Canterbury and beyond.

The 2018 Ashburton A & P Show saw:

- over 4600 entries across a range of sections, including equestrian, livestock and home industries
- 175+ trade, market and food site exhibitors

The show is run by the Ashburton A & P Association whose primary aim is to promote excellence in agriculture and goodwill between town and country. This objective is achieved through a variety of entertainment and extensive range of exhibitors for the Show visitor.

Each year there is a theme to the Ashburton A & P Show. Site holders are encouraged to incorporate the theme into their site. Our 2019 show theme is *“SEEDS OF MID CANTERBURY”*.

The types of food sites available

There are a total of 15 food sites available at the Ashburton A & P Show. Exhibitors can choose to tender for, and may be awarded, more than one food site.

Exhibitors can choose to tender for sites that can only sell certain types of food or beverages (eg, hot food versus cold food) or tender for sites without such restrictions. Cold beverages, popcorn, candy floss, lollies, novelty bars and potato chips can be sold from all sites.

The different types of food sites available are set out below.

- **Food court** (sites 1-7) – up to seven food sites with a mix of hot, cold and café style and a coffee cart
- **Hot food** (sites 10 and 14) – two food sites serving hot food
- **Cold food** (sites 11 and 13) – two food sites serving cold food – cream freeze and shaved ice etc.
- **Hot food and coffee** (site 9) – one food site serving hot food, plus coffee
- **Coffee carts** (sites 8, 12 and 15) – three sites for coffee carts (site 8 being Saturday only site)
- **Café Food** (Site 12) one food site serving café style food and coffee

There is no restriction on the types of cuisine that are sold at food sites. So that the A & P Association can ensure there is a variety of food available, the application asks that applicants specify the types of food and beverages that would sell at a site.

Power is available at food sites, on request and at a cost to the site holder (as noted on the next page under pricing). Power not available for Coffee Cart sites 8, 12 and 15.

The layout at the Ashburton Showgrounds sees food sites located in various locations across the grounds. **Attachment A** to this information pack highlights on a map of the Ashburton A & P Show the approximate locations where the individual food sites are to be located in 2019. The numbers on the map correspond to the various food sites discussed above and set out in the tender application.

The cost of sites and extras

To have a food site at the Ashburton A & P Show, exhibitors must pay money to the Ashburton A & P Association for a site (referred to below as base cost of site). This information pack does not specify or provide any guidance on the level of this payment. The amount of money that a food site holder pays for a site is based on the price (including GST) that they tender in their application.

If you are tendering for multiple food sites, you need to specify a tender price for each site in your application. Note that the highest or any tender for an individual food site may not necessarily be accepted.

In addition to the base cost for a site, there are extra costs that an exhibitor may need to pay the Ashburton A & P Association for a food site. The extras (as detailed further below and all shown inclusive of GST) relate to:

- power for food sites
- additional discounted show entry tickets (over and above those included with each site)

The Ashburton A & P Association does not organise for the hire of gazebos for food sites. Site holders need to bring their own or organise hireage themselves.

How to apply for a food site

To apply to have a food site at the 2019 Ashburton A & P Show, you need to (by no later than **3rd September 2019**):

- send your completed application to the Ashburton A & P Association Administrator by e-mail or post (for contact details, see page two of this information pack and/or the application form)

Important things to note regarding an application:

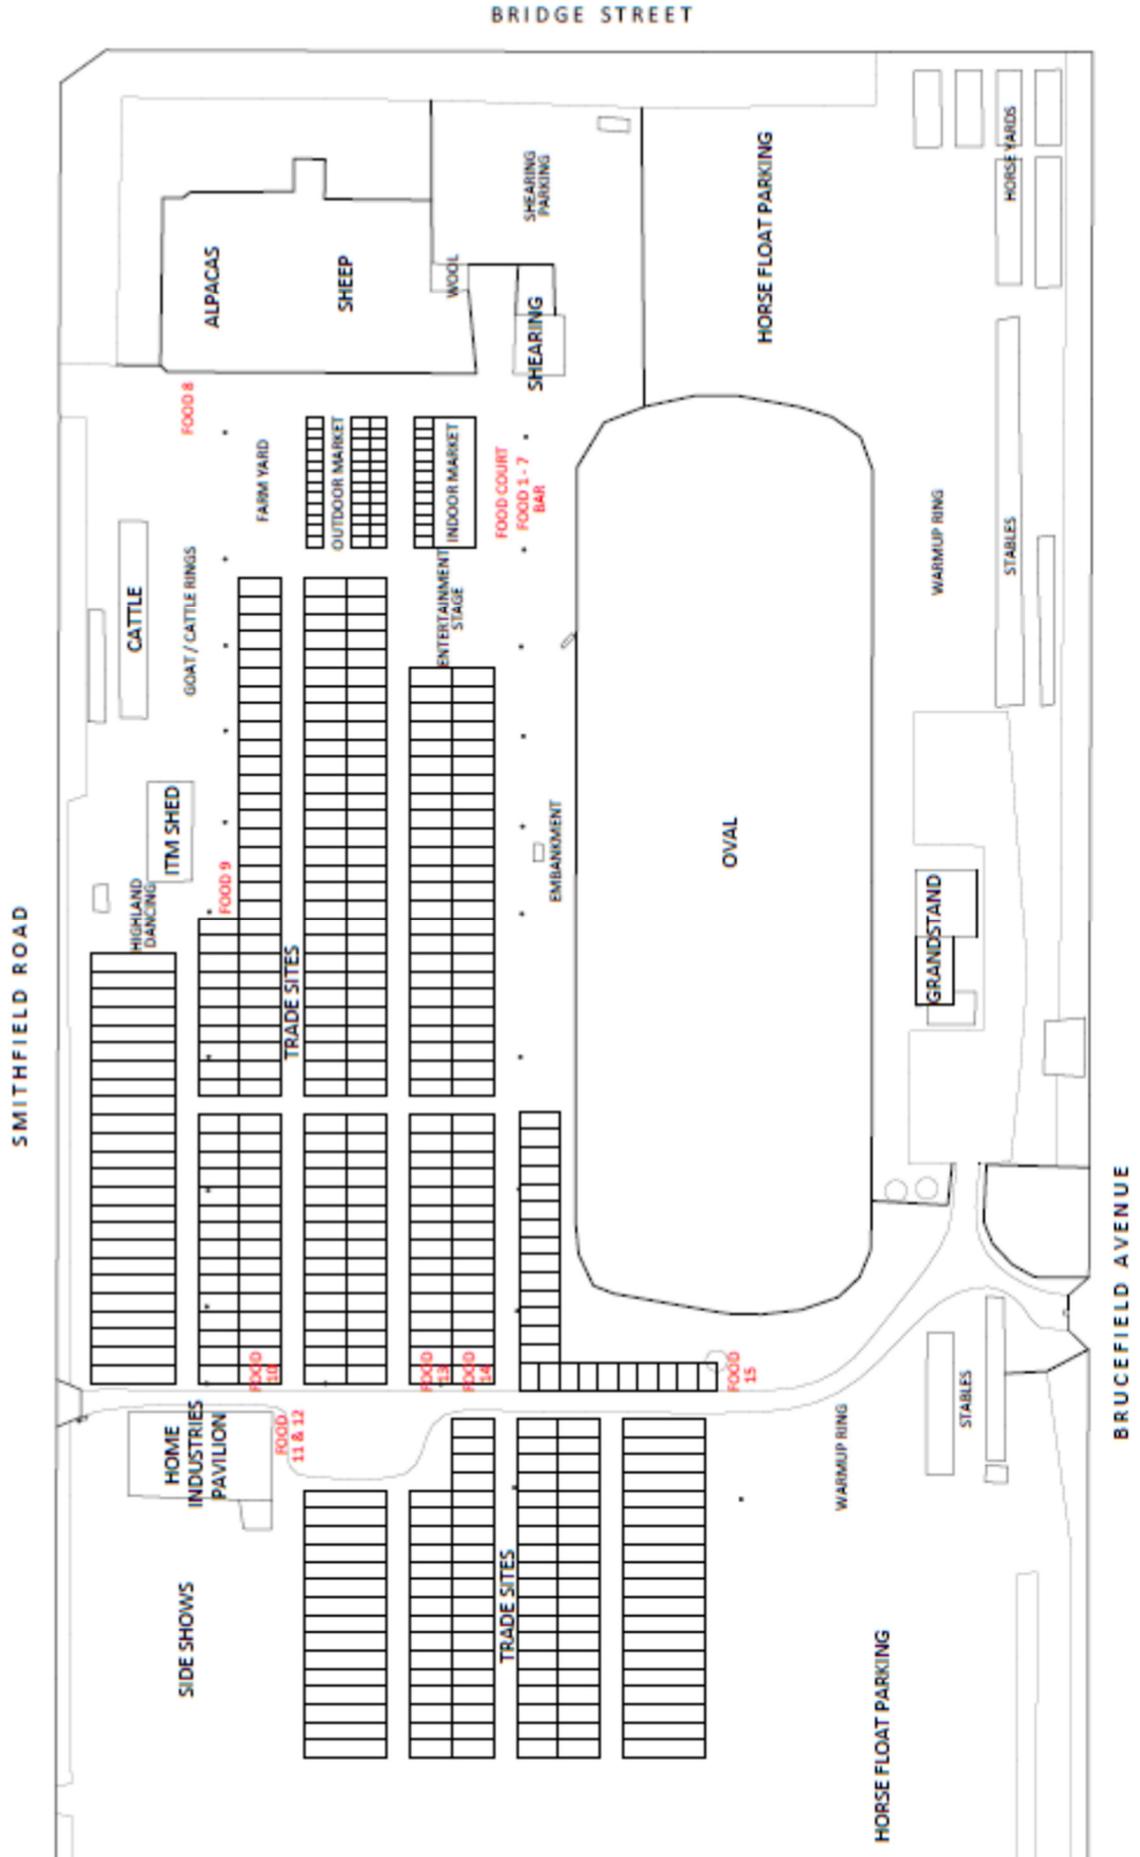

- late applications for food sites (received after 3rd September 2019) may not be considered
- receipt of an application for a food site does not guarantee that the site requested is allocated to you – all applicants for sites will receive advice from the Ashburton A & P Association in late September/early October 2019 of the results of their application
- once food sites have been allocated, those applicants that are successful in being allocated a site will be sent an invoice for the cost of their site and any extras specified in their application
- a food site allocation is not confirmed until a site holder has paid their site fees and extras in full
- **all site fees and extras must be paid to the Ashburton A & P Association prior to the start of the show on Friday 1st November 2019**
