

# Equestrian & Showjumping

## Back numbers

# NOTES

1. This document lists the back numbers that have been allocated to Equestrian and Showjumping entrants for our 2019 Annual Show.

## **Equestrian classes**

2. For our 2019 Annual Show, the Ashburton A&P Association is (for most Equestrian classes), not issuing back numbers to entrants. Instead, entrants should bring their own number holders, into which they are to insert (before competing) their allocated back number(s) per this document.
3. For Working Hunter Round The Ring classes, back numbers will be supplied by the Ashburton A&P Association 1 hour before the classes start. These back numbers will be available for collection from the Horse Office at the Showgrounds. After these classes have concluded, entrants should return allocated back numbers to Horse Office.

## **Showjumping classes**

4. For Showjumping classes in our 2019 Annual Show, back numbers will still be issued by the Ashburton A&P Association. Only back numbers supplied by us are permitted to be used for Showjumping classes.
5. Showjumping entrants need to collect their back numbers from the Horse Office at the Showgrounds. Before the end of the Show, entrants should return their back numbers to Horse Office, and get a refund on back number fees paid.

## **Other information**

6. For details of entries for our 2019 Annual Show, as well as ring plans, please refer to the Equestrian and Showjumping Catalogue on our website. Printed copies of Equestrian and Showjumping Catalogues are also available from the Horse Office at the Showgrounds.
7. For information on allocated stables and yards for our 2019 Annual Show, please refer to separate document detailing yard and stable allocations – available on our website and in posted in hard copy at the Showgrounds.
8. During the running of our 2019 Annual Show, please refer to the Horse Office at the Showgrounds for any late entries, changes to entries or other general, Equestrian and Showjumping related, queries.
