EAST VALLEY ENVIRONMENTAL CLUB

In lieu of a Club meeting, we invite you to participate in the AZ Youth Climate Strike on Friday, September 20. There is a 1.3 mile march from the Maricopa County Courthouse (across from Phoenix City Hall) to the State Capitol. If you don't want to or are unable to march, you can meet us at the capitol where we will be holding a rally. For details & RSVP see AZ Youth Climate Strike on Facebook or message them via Twitter.

Groups such as the Sunrise Movement and US Youth Climate Strike have been doing the work of organizing young people and developing them into leaders of this movement, and we're glad to be partnering with them and supporting their work. We can't wait until after the 2020 elections to start tackling the existential crisis facing human life on this planet. We need politicians to start taking action now. Lend your voice by marching with us.
