DEMS GIVE BACK: LOST OUR HOME PET RESCUE
Lost Our Home Pet Rescue Facility is still undergoing renovation. We will schedule visits to support our furry friends as soon as possible and share those dates with you.
Help us keep Lost Our Home facilities clean and sparkly for our furry friends. LD18 is collecting bleach and money contributions to purchase bleach. Bring a bottle to any LD18 meeting or drop $3 in our special contribution bottle so that we can purchase the bleach for Lost Our Home.

Paid for by LD18 Democrats. Printed in house.
