about

Values-driven UX designer. Collaborative communicator & creative problem solver. A decade of experience on 3 continents. Changing the world by starting with the user. Looking to relocate.

projects

UX DESIGN: "TRACES" & "HEXAD FITNESS" APPS

CareerFoundry || Fall 2019 – Summer 2020

- Researched market and users; created user personas and flows
- Cycled between design iteration and conducting usability tests
- Built final functional gamified app prototypes in Adobe Xd

PRODUCT DESIGN: "THE CROWN OF SECRETS"

Independently Published Book || 2015 – 2017

- Recruited and led art team to produce 60+ original illustrations
- Designed both the book's visual layout and its physical properties
- Published & sold hundreds of copies of an 80-page picture book

work

UX WRITER: SHIJIAZHUANG METRO & OTHERS

Shijiazhuang, China & Remote || 2014 – present

- Analyzing priorities for clients in transportation, B2B, and education
- Writing for international standards in content, clarity, and tone
- Improving full-spectrum delivery accuracy & viewer engagement

CURRICULUM DESIGNER: HEBEI NORMAL UNIVERSITY

Shijiazhuang, China || 2013 – 2018

- Researched and identified student needs & curriculum shortcomings
- Codified objectives and developed new curricula with local office
- Saw exam-verified increase of student engagement & understanding

skills

- Information architecture & applied prototyping
- Remote & in-person usability testing
- User archetypes, personas, journeys, and flows

education

UX DESIGNER CERTIFICATION

CareerFoundry || July 2020

- Intensive project-based self-study course focused on UX / UI Design
- Formalized UX design process under the guidance of expert mentors

BS. IN MEDIA PERFORMANCE & PRODUCTION

John Brown University || 2008

- Designed & completed a first-of-its-kind Independent Study program
- Thesis project: writing, casting, staging & directing a production
