

Wycliffe

Dune | Moss | Cashew | North Sea

Moss

Wycliffe brings a welcome texture to the River Aire Collection and Place as a whole. Combinations of complex fancy yarns running in both the warp and filling direction create a wonderfully soft fabric that provides a beautiful nuance of color. The heavy, luxurious weight of Wycliffe makes it ideal for large-scaled pieces such as sofas and sectionals. This absolutely yummy texture will also make inviting pillows and comfortable occasional chairs.
