Dear Parent/Guardian:

As we move closer to the end of the school year we are attempting to get items returned to the school. We are now in session Monday thru Friday until 1:30 pm. We recently sent home an updated calendar showing the weeks remaining and which days we are out of school.

We are not anticipating being remote, as a district, for the remainder of this school year. We currently have 203 students PreK thru 6th grade with only 8 students being full remote due to medical reasons. When reviewing these numbers we have decided we would like all chrome books, chargers, and hotspots issued by the school to be returned to the classrooms immediately. Teachers will allow students to take chrome books home as needed. The 8 full remote students can keep theirs until the end of school at which time they will return them. .

If you have any questions or concerns please do not hesitate to call the office at 217-435-2331.

Sincerely

Robin Lowder
