Dear Parent/Guardian:

As we move closer to the end of the school year we are attempting to get items returned to the school. We are now in session Monday thru Friday until 1:30 pm. We recently posted on FaceBook and our website an updated calendar showing the weeks remaining and which days we are out of school.

We are not anticipating being remote, as a district, for the remainder of this school year. We currently have only 5 students full remote due to medical reasons. When reviewing these numbers we have decided we would like all hotspots issued by the school to be returned to the classrooms immediately. The 5 full remote students can keep the hotspot if one was issued to them until the end of school at which time they will return it.

If you have any questions or concerns please do not hesitate to call the office at 217-435-2331.

Sincerely

Scott Hendricks
Jr. High/High School Principal
