

SPONSOR

Tidewater Search and Rescue welcomes your financial support!

Our team is a 100% volunteer search, rescue, and recovery organization.

We provide specially trained professional volunteers to find lost or missing people in wilderness, rural, or disaster environments. We deploy our resources when requested throughout Virginia and adjacent states.

Our missions vary with the subject; we get called out to search for lost children, overdue hunters and hikers, Alzheimer's patients and even missing aircraft. Our purpose, however, remains constant – to save lives in the out of doors. Often times this work can be physically, mentally, and emotionally challenging, especially when the conclusion of the search emergency is less than ideal, despite our best efforts. On the other hand, the personal rewards can be tremendous when the combined efforts of everyone involved help to save a life.

As a 501(c)3, TSAR keeps its operating costs to a minimum. Our members pay for all of their own clothing, equipment, fuel, and transportation to and from rescue missions and trainings.

Support from our sponsors help our team pay for operational needs such as insurance for our group's truck and trailer, communication equipment, safety gear, search and rescue technology, medical supplies, and valuable training.

If you are interested in making a donation to Tidewater Search and Rescue, please contact our Commander at tsarcommander@tsar.org.
