Temple Family,

Welcome to Temple Christian Academy. We are pleased with your interest in TCA, showing that you want a quality Bible-based education for your child, and you will certainly find that here. We are blessed with caring teachers who are dedicated to molding the lives of young adolescents. It is our goal to welcome young people from our community and build young men and women who are ready and prepared for the future that God has for them. It is our prayer that your children mature academically, behaviorally, and most importantly, spiritually while here at TCA.

At TCA the spiritual aspect of a student is the most important aspect of all. It is for this reason that daily Bible classes and weekly chapel services are an integral part of school life. Everything that is taught at Temple is taught through the filter of a Biblical worldview. Our faculty and staff are dedicated to ensuring that your child will receive a quality education in a safe and loving environment. We are continuously working to improve our curriculum and provide professional development opportunities to our staff. We believe that our students have great potential in all areas of academics, and we are striving to help them reach that potential.

We have the most affordable tuition prices of Harrison County. Although TCA offers a very affordable Christian education, it does not sacrifice quality. This is why we consider TCA the best value in education on the Gulf Coast.

Please let us know if we can help in any way to start your journey at Temple Christian Academy. We would encourage you to enroll as soon as possible to reserve your child's spot.

Blessings,

Pastor and Mrs. Crane
