## *Eternal Source of Hope and Healing,*

be with the family of \_\_\_\_\_

as they mourn the loss of their loved one.

Let them feel Your presence!

Bless them with a sense of connection,

to You and to one another,

especially if they cannot be together

to reminisce, to share stories

and to grieve.

Bless those around them

with the ability to reach out

in kindness, compassion and love

and the understanding that they

can't fix this—all they can do is walk

beside the family on their grief journey.

May the memory of \_\_\_\_\_

*always be a blessing.*
