

# *Five Pin*

## **-DESCRIPTION:**

Using three 2inch rubber balls the player tries to flip over five bowling pin style blocks.

## **-HOW TO SET UP GAME**

- Unfold the legs located on the rear of game unit.
- Rest the front end of game unit in the front of the booths.
- Make sure all five pins are in the “down” position.
- Make sure “Pin stop bar” is in the down position.

## **-HOW TO PLAY**

- 1) Player gets three balls
- 2) The player rolls the ball one at a time and tries to flip over all five pins
- 3) After all three balls have been rolled, the play is over. The operator then picks up all three balls, lifts up the “pin stop bar” to re-set all the pins.

## **Materials and or Items you need to supply for this game:**
