

NUMBER WHEEL

-HOW TO SET UP GAME

- 1) Hang wheel from top 2 x 4 on side of booth and about one foot from front.
- 2) Tape (do not nail or staple) the numbered lay down on to the front counter.
Please remove your tape when returning the game

-HOW TO PLAY

- 1) Player places coin on the number of their choice.
- 2) Once all the players have their coins down the game operator spins the wheel.
- 3) The player wins when the wheel stops on the number they picked.
- 4) To maximize the profit, recruit as many player\bets as possible per spin.
- 5) Depending on the type of wheel, each number has two or three colors in and each color represents a different prize level.
