**THE CANYONS METROPOLITAN DISTRICT NO. 6**  
**2019 BUDGET**  
**SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

The District was organized to provide financing for the design, acquisition, installation and construction of storm and sanitary sewers, water systems, streets, parks and recreation facilities, transportation systems, television relay and translator facilities, security, mosquito control and fire protection and operation and maintenance of the District. The District's service area is located in the City of Castle Pines in Douglas County, Colorado and the District operates in connection with Districts Nos. 1 - 5 and 7 - 11.

The District was formed by District Court Order on December 19, 2001, and held its organizational meeting on March 14, 2002. The relationship between the Service District and Financing Districts, including the means for approving, financing, constructing and operating the public services and improvements needed to serve the development are outlined in the Master Reimbursement Agreement executed December 29, 2015 by the District and District Nos. 5 and 7.

On November 4, 2014, District voters approved authorization to increase property taxes up to \$5,000,000, annually, as necessary, to pay for the operations and maintenance expenditures of the District. Debt authorization was approved in the amount of \$151,000,000 for the above listed facilities and an equal amount for refunding debt. The voters also authorized debt of \$5,000,000 for the costs of operating and maintaining the District's systems and \$10,000,000 for the issuance of mortgages, liens and other encumbrances on District real and personal property. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution or any other law.

On November 4, 2014, District voters approved authorization to increase property taxes up to \$100,000,000, annually, as necessary, to pay for the operations and maintenance expenditures of the District as well as \$100,000,000, annually, as necessary to pay for the capital expenditures of the District. Debt authorization was approved in the amount of \$2,260,000,000 for the above listed facilities and \$226,000,000 for refunding debt. The voters authorized debt of \$226,000,000 for the costs of operating and maintaining the District's systems and \$50,000,000 for the issuance of mortgages, liens and other encumbrances on District real and personal property. The voters also authorized \$226,000,000 in debt for both Intergovernmental Agreements and Private Agreements. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution or any other law.

Pursuant to the Amended and Restated Service Plan, the maximum mill levy for general obligation debt and operations and maintenance is 69.000 mills. This limit is to be adjusted for increases or decreases in the residential assessment ratio (for the debt portion of the mill levy only) so that the actual tax revenues derived from the mill levy, as adjusted, are neither diminished nor enhanced as a result.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**THE CANYONS METROPOLITAN DISTRICT NO. 6  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues**

**Developer Advances**

The District is in the development stage. As such, the operating and administrative expenditures are to be funded by the Developer. Advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse others from bond proceeds and other available revenue.

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the property tax page of the Budget and is pursuant to the Master Reimbursement Agreement. Collectively, Districts Nos. 5, 6, and 7 are permitted to levy 69.000 mills, with the debt service portion of Districts No. 5 and No 6 being adjusted for changes in the assessment ration which brings the total mill leave for all three districts to 74.277 mills. The total adopted mill levy is shown on the Property Tax Summary page of the budget. The District has adjusted its debt service mill levy to 11.055 mills.

**Specific Ownership Tax**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing with the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 10% of the property taxes collected.

**Net Investment Income**

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 1.5%.

**Facilities Fees**

The District imposes a Facilities Fee in the amount of \$1,000 on each residential lot within the boundaries of the District. Such fees are allowed to increase the lesser of 5% annually or the percentage increase in the Denver-Boulder Consumer price index percentage increase for the prior year, effective January 1, 2017. The Facilities Fees are due and payable on the earlier to occur of (i) the initial transfer of a residential lot to a third party builder or (ii) the issuance of a building permit for a residential unit.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues** (continued)

**Public Improvement Fee (PIF)**

The Mixed-Use Owner has imposed a Public Improvement Fee (“PIF”) through the Declaration of Covenants Imposing And Implementing The North Canyons Public Improvements Fee (“PIF Covenant”). The PIF rate applicable to Construction Activities is 50% of the applicable Use Tax rate pursuant to the City’s Sales/Use Tax Ordinance. Construction Activities is defined in the PIF Covenant as the use of building and construction materials for incorporation into the construction of any new building. Twenty percent (20%) of the PIF Revenue is collected by the District and pledged to the payment of the 2017 Bonds. The PIF is due prior to obtaining a building permit.

**Expenditures**

**County Treasurer’s Fees**

County Treasurer’s collection fees have been computed at 1.5% of property taxes.

**General and Administrative Expenditures**

General and administrative expenditures have been provided based on estimates of the District’s Board of Directors and consultants and include the services necessary to maintain the District’s administrative viability such as accounting, legal, insurance, and other administrative expenditures.

**Debt Service**

Interest payments are provided based on the attached debt to maturity schedule for the Series 2017A bonds.

The District anticipates making an interest payment on the Series 2017B bonds. A debt to maturity schedule is not attached due to the cash flow nature of these bonds.

**Capital Outlay**

The District anticipates infrastructure improvements as noted in the Capital Projects fund.

**Debt and Leases**

**Series 2017A Limited Tax General Obligation and Special Revenue Refunding and Improvement Bonds**

On May 24, 2017 the District issued \$11,800,000 of Limited Tax General Obligation and Special Revenue Refunding and Improvement Bonds. The proceeds from the sale of the 2017A Bonds were used to:

2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Debt and Leases** (continued)

- (a) finance the acquisition, construction, and installation of certain public improvements;
- (b) refund the outstanding balance on the 2016 Bonds (defined below);
- (c) fund the Capitalized Interest Fund;
- (d) fund the Senior Reserve Fund; and
- (e) pay the costs of issuing the Bonds.

The Series 2017A Bonds bear interest at rates ranging from 6.000% to 6.125%, payable semi-annually on June 1 and December 1 each year, to the extent of Senior Pledged Revenue available therefor, beginning on December 1, 2017. Annual mandatory sinking fund principal payments on the Series 2017A Bonds are due on December 1, beginning on December 1, 2026. The Series 2017A Bonds mature on December 1, 2047.

The Series 2017A Bonds are secured by and payable solely from and to the extent of the Senior Pledged Revenue, net of any costs of collection, which is defined generally in the 2017A Indenture as:

- (a) the Senior Property Tax Revenues;
- (b) the Senior Specific Ownership Tax Revenues attributable to the Senior Required Mill Levy;
- (c) Capital Fees, including particularly and without limitation, the Facilities Fees;
- (d) Pledged PIF Revenues; and
- (e) any other legally available moneys which the District determines, in its absolute discretion, to credit to the Senior Bond Fund.

Senior Pledged Revenue that is not needed to pay debt service on the Series 2017A Bonds in any year will be deposited to and held in the Senior Surplus Fund, up to the Maximum Surplus Amount of \$600,000. The Senior Surplus Fund is established and held as an account of the Trustee, and moneys therein are to be used solely for the purpose of paying the principal of and interest on the Series 2017A Bonds to the extent the moneys in the Senior Bond Fund are insufficient for such purpose. Amounts on deposit in the Senior Surplus Fund (if any) on the maturity date of the Series 2017A Bonds shall be applied to the payment of the Series 2017A Bonds.

The Series 2017A Bonds are further secured by amounts on deposit in the Senior Reserve Fund, which was funded with proceeds from the Series 2017A Bonds in the amount of the Required Reserve of \$1,127,731.

The Series 2017A Indenture provides a Senior Required Mill Levy be imposed in an amount sufficient to pay the principal of, premium if any, and interest on the Series 2017A Bonds as the same become due and payable (less any amount thereof for which amounts are then on deposit in the Senior Bond Fund and, solely to the extent provided in the Senior Indenture, the Senior Surplus Fund and the Senior Reserve Fund) and to replenish the Senior Reserve Fund to the Senior Reserve Requirement, but not in excess of 10 mills (as adjusted). For so long as the Senior Surplus Fund is less than the Maximum Surplus Amount, the Senior Required Mill Levy shall be equal to 10 mills (as adjusted to 11.055), or such lesser amount that will generate Senior Property Tax

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Debt and Leases (continued)**

Revenues (i) sufficient to pay the principal of, premium if any, and interest on the Series 2017A Bonds as the same become due and payable, and to fully fund the Senior Surplus Fund to the Maximum Surplus Amount, or (ii) which, when combined with moneys then on deposit in the Senior Bond Fund, the Senior Surplus Fund and the Senior Reserve Fund, will pay the Series 2017A Bonds in full. Such maximum and minimum mill levies are subject to adjustment per changes in the residential assessment rate.

**Series 2017B Subordinate Limited Tax General Obligation and Special Revenue Bonds**

On May 24, 2017 the District issued \$2,997,000 of Limited Tax General Obligation and Special Revenue Bonds. The proceeds from the sale of the Series 2017B Bonds were used to finance the acquisition, construction, and installation of certain public improvements.

The Series 2017B Bonds bear an interest rate of 8.00% per annum and payable annually on December 15, but only to the extent of available Subordinate Pledged Revenue. The Series 2017B Bonds are structured as cash flow bonds, meaning that there are no scheduled payments of principal or interest thereof prior to the final maturity date. Rather, principal on the Series 2017B Bonds is payable on each December 15 (if at all) from, and solely to the extent of, Subordinate Pledged Revenue (if any) remaining after the payment of interest then due on the Series 2017B Bonds on December 15 of the then current year. Unpaid interest on the 2017B Bonds compounds annually on each December 15.

In the event that, on December 15, 2057 any amount of principal of or interest on the Series 2017B Bonds remains unpaid after application of all Subordinate Pledged Revenue available therefor in accordance with the Subordinate Indenture, the Series 2017B Bonds and the lien of the Subordinate Indenture securing payment thereof is to be deemed discharged.

The Series 2017B Bonds are secured by and payable solely from the following sources, net of any costs of collection, to the extent not previously deducted by definition, (the "Subordinate Pledged Revenue"):

- (a) all Subordinate Property Tax Revenues;
- (b) all Subordinate Specific Ownership Tax Revenues attributable to the Subordinate Required Mill Levy;
- (c) all Subordinate Capital Fee Revenue, including particularly and without limitation, the Facilities Fees;
- (d) all Subordinate PIF Revenue; and
- (e) any other legally available moneys which the District determines, in its absolute discretion, to credit to the Subordinate Bond Fund.

Pursuant to the Series 2017B Indenture, the District has further covenanted to levy a Subordinate Required Mill Levy each year in the amount equal to (i) 10 mills (as adjusted from January 1, 2009 to 11.055) less the Senior Required Mill Levy, or (ii) such lesser amount that will generate Subordinate Property Tax Revenues which, when combined with moneys then on deposit in the Subordinate Bond Fund, will pay the 2017B Bonds in full.

**THE CANYONS METROPOLITAN DISTRICT NO. 6  
2019 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Debt and Leases** (continued)

**Series 2016 Limited Tax General Obligation and Special Revenue Bonds**

The District previously authorized its Limited Tax General Obligation and Special Revenue Bonds, Series 2016, in the aggregate principal amount of up to \$68,664,991 and, of such amount, the District has issued \$321,068 in aggregate principal amount. The Series 2016 Bonds were authorized to be issued from time to time in accordance with an Indenture of Trust between the District and UMB Bank, n.a., as trustee thereunder (the "2016 Trustee") dated as of November 1, 2016, as amended by the First Supplemental Indenture of Trust between the District and the 2016 Trustee dated as of the date of issuance of the Bonds (the "2016 First Supplement" and, as so supplemented, the "2016 Indenture").

Proceeds of the Series 2017A Bonds were used to refund the outstanding balance of the Series 2016 Bonds in the principal amount of \$321,068. As a result of the provisions of the 2016 First Supplement, the Series 2016 Bonds will thereafter have a reduced aggregate principal amount. The 2016 Indenture and related documents will allow additional draws on the 2016 Bonds of up to \$9,950,000 in aggregate principal amount for the purpose of paying the Original Landowner amounts due pursuant to the District's Reimbursement Obligation under the Master Reimbursement Agreement to the extent proceeds of the Series 2017A and 2017B Bonds are insufficient for such purpose. Repayment of the Series 2016 Bonds is fully subordinate and junior to the payment of the 2017A Bonds and the 2017B Bonds.

The District has no operating or capital leases.

**Reserves**

**Emergency Reserves**

The District has provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending, as defined under TABOR.
