

New Archery Practice Schedule for 2021

We will be having two One-Hour practices from here on out. The first flight will practice from 3:30-4:30. This will be the 5th – 8th graders. The exception will be if you have a high school sibling in archery. If that is the case, you will shoot with the second flight. I will need the 11th and 10th graders to help set up and coach some of the kids in the first flight.

If you are in the second flight, your practice will be from 4:30-5:30. You do not need to be at practice until 4:30, unless you are one of the high school students that are helping with set-up and coaching. (10th-11th grade) *names are highlighted.

Please feel free to message me with any questions.

Flight 1 3:30-4:30

David Lee Chambers
Kenny Bradley
Chloe McNaughton
