

April 2021 Member Renewal

*This is the time of year that we ask everyone to **renew their membership** to the Alberta Bowhunters Association. Your membership is very important to us as we not only offer unbelievable value for the dues you pay but we need your support to have the numbers that help make the ABA relevant when we attend the various government and stakeholder meetings defending and trying to expand bowhunting opportunities.*

This email is being sent to all those people who were ABA members during the last three years (2018, 2019 or 2020) and need to renew. If you are getting this email it means you or someone in your household using this email address has an expired ABA membership.

*Because of the struggles many people are having and as an incentive to get people to renew, we thought we would once again **offer a discount** on our one year adult single and one year family rates - \$26 for a one year adult (usually \$35) and \$60 for a one year family (usually \$70). **This discount is valid to the end of April 2021** so don't delay. Go to our website and renew through the online store. You will get an immediate confirmation email and we will update the database.*

Join by the April 30th discount deadline and you will be on the mailing list (along with all 2020 members) for our first ever printed "Annual YEARBOOK" – at least 80 pages of pictures, stories, ABA Year In Review, interviews and much more.

Coming to your mailbox by the end of May.

On our Homepage you can also access the last Game Awards Program presentation that recognizes those lucky bowhunters from the 2020 hunting season. As well as a link to pick up your "Build A BC Dream Hunt" raffle ticket – we are 41% sold and tickets are going fast!!

Thanks again for your support and WELCOME BACK!!

Brent

2021 ABA President
