

Vertical Response  
April 15 2021

Hi everyone. Usually at this time of year we would be wrapping things up from our annual AGM and Banquet. But, for the second year in a row, COVID caused us to cancel them. We came up with an idea to recognize those members who were lucky enough to take an amazing critter, reach various levels in our Game Awards Program.

We have put together a feature length movie/slide show of what we normally do each year at the in-person awards presentations. It has a brief intro "President's Message", an outline of the various category and level achievements and how we recognize them. Then we go through each category showing the winners and their animals.

This movie is available on our website as of right now!! Check it out and let us know what you think. You might even see your own smiling face and see that you won something!! Congratulations if you were one of those lucky bowhunters!!

In a few days we will be contacting all the winners and letting you know where you can pick up your plaque, buckle, custom hat. We have pick up points in Grande Prairie, Edmonton, Red Deer, Calgary and Lethbridge. The certificates for people who are not close to any of the locations, will be mailed out – that is cheap and easy to do. Others will be available at the pickup locations. Plaques are very expensive to mail and that is why we have set up pickup locations.

If you have any questions let us know.

Kyle at [gameawards@albertabowhunters.com](mailto:gameawards@albertabowhunters.com) or Brent at [Brent@albertabowhunters.com](mailto:Brent@albertabowhunters.com)

*While you are on our website, grab a few tickets on the newest raffle – the "Build Your BC Dream Hunt" Raffle – a \$10000 Credit towards any package that Compass Mountain Outfitters offers. We have already sold 34% of the tickets (only 1000 available at \$20 each) in the first five days!!*
