Happy Spring everyone!! The geese and seagulls are back. Even heard of a couple of bear sightings!

Just a reminder that the draw date for our "Wishing For A Better 2021" Raffle is only a couple of weeks away (April 7). As of right now we have tickets left – are sitting at 64% sold. Your odds are very good at winning one of North America's most sought after traditional bows made by our very own Jack Kempf. Jack's bows can be found all across this continent, in Europe, Australia. Jack is a longtime ABA member, has been an incredible supporter of the ABA for many years and we can't thank him enough.

This is a right hand "Kwyk Styk" with a rosewood riser and carbon limbs. It is 56" long and pulls 53# at 28". Many of us have a Kwyk Styk and they are an incredible smooth, quick bow. The package also comes with 6 arrows, quiver, an arm guard, glove, bow stringer. Everything you need to start flinging arrows the minute you win!! Check out the ABA Facebook page for pictures!

Jack's bow/accessories are the first prize. But we also have NINE other awesome prize packages from other long time supporters of the ABA. We have youth traditional and compound packages, treestands, an ice fishing adventure, taxidermy gift certificate (always comes in handy if you have some success in the field), trail cameras, Rinehart mini 3D targets, bunch of regular targets. Any one of these would be great to add to your bowhunting inventory or to get a youngster started in archery.

The best way to get your tickets is to go to our website (albertabowhunters.ca) – right on the Homepage is a link to take you to the online store. Select how many tickets you'd like and follow the prompts to enter your address/credit card info. When you hit "send" you get an immediate email confirmation, I get a notice from the online store of your purchase. I fill in your ticket(s) and into the mail they go – usually that same day.

You can also contact me directly for cash sales – 780-978-1195

Thanks again for your support!! The proceeds from the raffles we run go a long ways in offsetting the expenses we incur and allow us to keep membership dues extremely low.

GOOD LUCK!! Be talking to some of you April 7th!!
