As a big thank you to all our future Platinum MSP members, we are offering a **FREE** Wellness Check Kiosk to anyone who signs up as a Platinum MSP Member for 2021.

Standing at 17" wide by 77" high this kiosk is a fully automated temperature scanning machine that continuously monitors your surroundings and sends e-mail or SMS alerts whenever it detects an elevated temperature. The system is also connected to the cloud which stores these events allowing you to keep track of the source and keep your surroundings safe.

That's not all! When the Kiosk is not monitoring temperatures, it is enabled with Wi-Fi and will function as a video display device and offer e-catalog options for Eurofase products. **CLICK HERE** to become a Platinum MSP Member now and keep your staff and customers safe with our Wellness Check Kiosk!
