Term definitions:

SCOPE: Science Coach Online Portal Entry - Links to the Portal, student intake form, competition list, resources, calendar, and current program information

Teacher Milestone Entry Portal (Portal): Project and competition entry/update, list of registered students, account & milestone information, quarterly survey links, project picture upload

Target Number of Projects: This is the total number of Projects (not students) required to receive 100% of the Milestone compensation. This number is based on the size of the Teacher Coach's school and their total number of years in the Science Coach program.
