The mission of Clothes to Kids of Denver is to provide new and quality used clothing to pre-K through 12th grade students from low-income or in-crisis families in the Denver metro area, free of charge.

Our vision is that all students will have the clothing they need to feel comfortable, confident and prepared to thrive.
Dear Friends,

Thank you for making 2016 yet another remarkable year for Clothes To Kids of Denver! As we enter our ninth year of service, Clothes To Kids is stronger than ever due to the community’s support of our mission.

As you review this report, we hope you can read beyond the impressive numbers to see how our organization impacts the lives of children and youth in our community. Every item of quality clothing, every pair of shoes – 2,977 school wardrobes during 2016 – bring joy and confidence to a student in need, and it is that family’s story that provides them with the clients’ happy smiles tell their stories, as they walk with our volunteer personal shoppers to put together just the right outfit to wear to school.

- Elaina’s twin before the dressing room entrance in our store, knowing her new skirt and top will be perfect for her first day of first grade.
- Note: a middle schooler who skipped school after last year after he was accused about clothes, white-kid in-town guests wore to choose from – plus the same brand of shoes “that all the other kids are wearing.”
- Kristine leaves the store with 5 warm and cozy, buttery soft sweaters, a beautiful skirt, 100% soft and comfortable, that nothing will distract her from doing anything she wants to do.

The facts and figures in this report are real about these kids and so many others, whose lives have changed thanks to your generosity and support. We firmly believe you can do this with us.

And so we dedicate this report to YOU – our donors, volunteers, referring agencies, expert partners, board members, Community Action Council and staff, whose support and dedication have allowed Clothes To Kids to provide more than 34,000 school wardrobes since 2008. With your continued support, we look forward to having an impact on the lives of even more students in the years to come.

With sincere gratitude,

Trudy J. Johnson
Executive Director
