About Chakras:

For over 30 years, Dr. Richard Jelusich has been studying and researching the chakras - the 'energy centers' of consciousness that enable us to be in this dimension. His "Dominant Chakra Theory" is the seminal teaching his work in the field of subtle energy healing and led to the writing of two books: [Eye of the Lotus: Psychology of the Chakras](#) and [I Can Relate: How we intuitively choose the people in our lives.](#)
