

Introduction to Energy Medicine Thursday, September 19, Calgary

Would you like to know more about *how* energy medicine, like Reiki, works and what it feels like? Join Dr. Jelusich who has over 30 years' experience in the energy medicine field and founder of his unique form of energy work for this informative and *experiential* lecture. Often referred to as subtle energy, the practitioner becomes a conduit for healing, allowing that energy to flow through (not from) them. Science has proven the efficacy of energy medicine.

Learn:

- How the energy flows through the practitioner
- About the 'subtle energy body' that we all possess
- Experiential exercises so you can feel the energy flowing through you

September 19, Thursday, 7pm

About Chakras:

For over 30 years, Dr. Richard Jelusich has been studying and researching the chakras - the 'energy centers' of consciousness that enable us to be in this dimension. His "Dominant Chakra Theory" is the seminal teaching his work in the field of subtle energy healing and led to the writing of two books: [Eye of the Lotus: Psychology of the Chakras](#) and [I Can Relate: How we intuitively choose the people in our lives.](#)
