We will need campaign funds for citywide mailings, online & print advertising, and lawn signs.

I promise to defend our parks and green spaces, local representation for all Newton residents, and the responsible development in our Village Centers.

Please help this campaign with a contribution of your choosing.

If you are unable to attend, please contribute by making a check payable to:

**Elect Tarik Lucas**, and mail it to:

Alison Conant, 68 Brookside Avenue, Newtonville, MA 02460.

Or make an online contribution by going to [TarikLucas.org](http://TarikLucas.org)

Thank you for the support!

Warm Regards,

Tarik Lucas
