

Biohazard Bags

- Do not place any linen in Red Biohazard Bags. All linen should be returned to the laundry.
- Red Biohazard Bags should be placed in Biohazard Waste Containers in the proper collection area; **NOT IN LINEN CARTS.**
- Red Biohazard Bags and contents can only be transported by certified Biohazard Waste companies; **NOT YOUR LINEN PROVIDER.**

These go in linen bags:

- Blood saturated towels, sheets, gowns, etc.
- ANY AND ALL LINEN ITEMS, despite their condition.

These go in red bags:

- Saturated gauze & bandages.
- Blood & body fluids.
- Visibly bloody plastic tubing.
- Contaminated PPE.
- All non-linen items classified as medical waste, according to your hospital's guidelines.
