

Please Help Us Control Our PJ Pant Inventory

Please remember...

- PJ pants are rented from your laundry company and are not hospital property.
- Linen loss costs the hospital money. This could add up to thousands of dollars per year.

You can help by...

- Not giving out multiple pair of pants to a patient.
- Asking patients to please put their worn PJ pants in the soiled linen return.
- Try to ensure that patients are not taking pants home.

Help us recycle your linen and keep linen costs down. Let your linen service representative know if you are experiencing any problems with linen. Thanks for your help!
