Then, the exhibit hall will open at 8:15am on Friday and continue to be open until 5:00pm Friday. Saturday the exhibit hall hours will be from 8:15am and will close at 4:00pm. NERGC is the first and only Genealogical Conference that offers unopposed exhibitor times and we make this available at the Grand Opening as well as on Friday and Saturday. We offer this convenience so attendees are able to visit the Exhibit Hall at their leisure without having to miss any special lectures. The exhibit hall will be open to the public as well during the normal exhibiting hours and this year we are heavily promoting the exhibit hall to the local public. In addition, we are offering free lectures to help those that are unfamiliar with genealogy, to help understand what genealogy is and how they can become involved with the hobby. Many of the exhibitors will also be participating in a "Treasure Chest" exhibitor promotion. All attendees will receive a coupon that they can deposit at the exhibitor's booth. They will then be eligible to receive a promotional gift from that exhibitor when the drawings are completed. From book sellers to local genealogical societies they will all be there anxious to talk to you and help in any way they can.
