

Call for Participants Submission Form

Thank you for contributing to autism research. By completing this form, you are requesting that Autism Canada feature your study on our Call for Participants web page.

Please note: Only studies that have received approval from the Research Ethics Board (REB) and are specific to autism will be posted. Email this completed form and your REB certificate to Research@autismcanada.org.

Study Title

Summary

Researchers

Who can participate?

What's involved?

If applicable, how will participants be compensated for their participation?

If applicable, what is the deadline to participate?
