Au-Some Fund

Every year individuals approach us for scholarships so that they may attend our conferences. Since hosting our first conference in 2002 we have been proud to offer FREE admission to hundreds of people. This year Autism Canada is opening a scholarship program to cover travel costs for our ASD Advisory Committee members to attend events that they helped organize. If you would like to support this initiative, please make a donation towards the Au-Some Fund.

Your contribution towards the **AU-SOME FUND** will ensure that these dedicated adults who have worked so hard to make this event happen, can be there in person.

For making this donation, your name will be listed on our Au-Some Conference Sponsors webpage and you will receive a prompt tax receipt.**
