TECHNIQUE POLICY

A BALLET /DANCE TECHNIQUE or ACRO/TUMBLE class is required for all students taking other dance classes.

BOSS classes that meet requirement include:

- LITTLE BALLET+ TAP I,
- BALLET/JAZZ/TAP II
- BALLET/DANCE TECH
- ANY TUMBLE/ACRO CLASS

BALLET or DANCE TECHNIQUE taken outside of BOSS will be accepted as meeting this requirement

We understand students may prefer non-traditional and/or modern classes, however BALLET and TECHNIQUE are the foundation of all dance genres, and thus essential to any quality dance education program.

The studio understands the mandatory technique requirement may increase monthly tuition rates. As our primary concern is quality dance training, all students co-enrolled in other studio dance classes can receive 25% off Ballet/Technique or Acro/Tumble class tuition

Participation is completely optional. There will be an additional fee associated with company participation, though we will do our best to keep it as affordable as possible to encourage participation. We will provide more information on company later in the year.
