Will ESCL hold call scheduled for tomorrow?

With small-time investors angrily knocking at its parent's door and the police arresting officers of its parent and raiding its offices, will Escala Group, Inc. (NASDAQ: ESCL, \$14.60) go forward with its planned quarterly conference call scheduled for tomorrow morning?

Below is the location of an Internet site containing audio of investors who were not allowed access to Escala's parent located at the Spanish news site at www.elpais.com.
