Volunteer Application (Rev. 10.2019)

The Bitter Root Humane Association encourages the participation of volunteers who support the following mission: "Organized in an effort to prevent cruelty to animals, to practice the animal population control concept, and to educate the public as to needs, care and understanding of animals."

All potential volunteers must receive an interview prior to placement. We also require that all volunteers participate in a training program as part of their volunteer experience, specific to their volunteer position. We want to encourage and educate children regarding humane practices; however we do require parent (or guardian) approval and participation for minors between 16-18 years of age.

The BRHA is considered an "open admission" shelter. We do not turn away any companion animals, nor do we limit how long an animal can stay at the shelter. At times we have to work with aggressive, injured or chronically sick animals. In some cases, euthanasia is the most humane option.

If you agree with our mission and are willing to be interviewed and trained, please complete this application. All BRHA volunteers who are also pet owners should ensure that their animals' vaccines are current.
