

FRANCES FROG'S ACTIVITIES

LEAP, FROGGIE, LEAP!

-  Print page 2 (with 12 lily pads).
-  Cut out the lily pads. Spread them out in a path across the floor, leaving about 18 inches between the pads.
-  Squat down like a frog in front of the first lily pad.
-  Listen to an adult read the words listed in the word bank below (in order). If a word begins with an **f** sound, leap forward over one lily pad. If a word ends with an **f** sound, turn around and leap back over the last lily pad. (Do not leap ON the lily pads, only OVER them!)

Did you leap over ALL the lily pads? Good for you, Froggie!

FILL FRANCES FROG'S BASKET!

-  Print page 4. Color the pictures and cut them apart. Some pictures begin with the **f** sound. Some do not.
-  Mix up the pictures.
-  Place a “picnic basket” (any container will do) in front of you. Now say the name of each picture. Does it begin with the **f** sound? If it does, place it in the basket. If it does NOT begin with the **f** sound, set it aside.
-  When you are finished, count the pictures in the basket. Do you have eight?
