COFFEE THINGS
ON IT, FOLLOWED BY TWO YOUNG AIDES, SLEEPY AND DISHEVELLED, WHO ENTER
QUICKLY,
AND APOLOGIES UNUTTERED, SIT AND MAKE THEMSELVES SMALL.

Thank you, that'll be all.

THE STENOGRAPHER AND THE WAITER LEAVE

BREAN

(OF THE TWO STAFFERS)

Who we got here...?

AMES

John Levy, Staff, and Amy Cain, Press Off....

BREAN

Alright. Look here, any of you kids hear in this

do here, f'it got out, you leaked it.

(TO AMES)

Tell'em what they need to know.

AMES

When it broke, he said one word: get me Ronnie Brean.

BREAN

(NODS)

Well. Alright. What is it? What's, he, uh...? He had an Illegal Immigrant, was his Gardener, some years back...?

(SMILES)

What's the thing? You people get ahead, you sure get nervous.

**AN AIDE ENTERS, WITH SEVERAL TYPED SHEETS, WHICH SHE HANDS TO CAIN.
CAIN
READS TO HERSELF, PASSES THEM TO AMES.**

ANGLE INS. THE SHEET, WHICH AMES HOLDS.

IT READS:

It can be documented that he displayed the...

BREAN LAYS DOWN THE SHEET SOMBERLY, EVERYONE LOOKS AT HIM.

BREAN

This ain't the illegal immigrant Nanny.

CAIN

There was a group of Girlscouts here from Indiana last month. One of them expressed an interest in a Frederick Remington bust. The president took her into the oval Office, for a period...

AMES

AMES

Don't you want to know if it's true?

BREAN

What difference does it make if it's true?

(PAUSE)

It's a story, and, it breaks they're gonna have to run with it -- How long've we got til it breaks?

(PAUSE)

AMES

Front page. Washington Post. Tomorrow.

BREAN

Well, yeah. Now. That's not good. Okay:

(PAUSE)

Okay. We'll set up the War Room Here...

AN AIDE BRINGS HIM A CUP OF COFFEE.

BREAN

Thank you. Now: where is he?

LEVY

China.

BREAN

When's he coming back...?

LEVY

Touchdown, Andrews, fourteen hundred, today.

BREAN TAKES A NOTEBOOK OUT OF HIS POCKET, AND LOOKS AT IT.

BREAN

(AS HE READS FROM HIS NOTEBOOK)

Alright, now, here: he stays on the ground in China
til Tomorrow.

CAIN

AMES

When do we bring'em back?

BREAN

You gotta give me a day. I need a day.

(PAUSE)

He's sick, get it out now. Get him on the phone'n tell
him how sick he is. We got to get it out before the
story breaks, so we aren't quote, responding to it.
Issue is as a bulletin. He's got some rare strain

AMES

It won't hold.

BREAN

All I need is the one day.

AMES

It won't even hold the one day, Ronnie --

BREAN

Yes -- It will... Now: why is the President in China?

LEVY

Trade Relations.

BREAN

You're goddamn right. And it's got nothing to do with the B-2 Bomber.

(PAUSE)

LEVY

There is no B-2 Bomber,

BREAN

That's what I'm telling you.

(PAUSE. HE GLANCES AT HIS WATCH.)

We're going to have to explain away the...

BREAN

They caught him in the closet with a Girlscout. Side-effects of a pill ain't gone trump that. You have to keep'em guessing for

(HE GLANCES AT THE CALENDAR)

Two weeks. You don't have to Cure Cancer, Pal, you just have to give them something more interesting than...

CAIN

What's more interesting than boffing the girlscout?

BREAN

Well, that's what we're doing here...

BREAN IS SUNK IN THOUGHT. AN AIDE STARTS TO SPEAK. AMES SILENCES HIM, BREAN BECKONS AMES OVER.

BREAN

(SOTTO)

Gemme twenty thousand dollars....

AMES NODS, AND WAVES AN AIDE OVER AND WHISPERS TO HER.

BREAN

Okay, look, who's takin' the press conference today?

CAIN

Is there a press conference today?

BREAN

What do you think? What I need from you: I need a base of operations. Some place in the District. I need some clean money ...

LEVY

How much...?

AMES GESTURES HIM TO BE QUIET.

BREAN

And, to hold it together, I need two days. There is no B-2 Bomber: here's what you do about that: whoever is leaking stuff to that geek at the Post, lets it slip, "Geez, I hope this doesn't screw up the B-2 Program..." "What B-2 Program, and why should it screw it up?" "If the president moves to deploy the B-2 before it is fully tested." "Deploy the B-2, Why?" "In the Crisis."

AMES

What crisis?

BREAN

I'm working on it. Same time, you call Billy Scott at Joint Chiefs, and pour him onna plane right now to Seattle, y'got that...? All flustered and worried. To talk to the Boeing people.

AMES
(TO LEVY)

Do it...

LEVY MOVES TO A TELEPHONE.

BREAN
(TO CAIN)

And you?

CAIN
But there isn't a B-2 bomber.

BREAN
Where'd you go to school, Kid. Wellesly?

CAIN
Dartmouth

BREAN
Then show a little spunk. There is no B-2 Bomber,
General Scott, the best of your knowledge, is not in
Seattle to talk with Boeing...

AMES
It won't hold.

BREAN
One day, Two days? Course it's gonna hhhh....

**CAMERA TAKES THEM DOWN THE HALL, WHERE WE SEE THE CLEANING PEOPLE,
WITH FLOOR
POLISHERS, LOOKING UP AT THE PICTURE OF THE PRESIDENT AND THE
GIRLSCOUTS, AND
SNICKERING.**

**ANGLE
ON BREAN AND AMES LOOKING ON.
THE CLEANING PEOPLE NOTICE THEY ARE BEING WATCHED AND DISPERSE.**

AMES
It won't hold, Ronnie, it won't prove out.

BREAN
We don't need it to prove out. We need it to distract
them for two weeks til the election.

AMES
What would do that...?

HOLD, ON BREAN THINKING.

AMES

(CONT.)

What in the world would do that?

BREAN

I'm working on it.

HE TURNS AROUND AND STARES AT THE WALL.

BREAN WALKS TO THE COUNTER WHERE THE COFFEE AND ROLLS ARE STEAMING. ON THE WALL ARE HUNG TWO WIPE-OFF SLATES. ONE READS "DAYS TO ELECTION 12," THE OTHER READS "% IN FAVOR 63" BREAN PICKS UP A ROLL, DOWNS A COFFEE, AND STARTS OUT OF THE DOOR.

ANGLE

CAMERA TAKES THEM OUT INTO THE HALL. BREAN LEANS CLOSE TO AMES.

BREAN

Gimme twenty thousand dollars.

HE STARTS INTO THE HALL, FOLLOWED BY THE ENTOURAGE, AND THE CAMERA.

BREAN

I'll be back within the hour. Now,

AMES

(WALKS ALONG, SHAKING HIS HEAD)

It's going to be fine. It's going to be ... you remember in 88, when...

THE PICTURE COMES ON, IT SHOWS THE PRESIDENT DOING SEVERAL
PRESIDENTIAL
THINGS. THE COMMERCIAL WE SAW EARLIER.

BREAN

That's our commercial.

(PAUSE)

I've seen it. That's our commercial.

AMES

(TO AIDE)

Turn up the volume.

THE AIDE DOES SO, AND WE HEAR MAURICE CHAVALIER SINGING,
"Thank heaven, for Little Girls...."

ANOTHER AIDE ENTERS, SHEEPISHLY, HANDS A THICK PACKET TO AMES, WHO
HOLDS IT
OUT TO BREAN.

BREAN

What is this?

AMES

Tell me again.

BREAN

(SIGHS)

Lookit, don't worry about it. It's not a New Concept. Wake me when we touch down, will...

HE TRIES TO NESTLE HIMSELF BACK TO SLEEP. AMES NUDGES HIM.

AMES

We can't afford a war.

BREAN

We aren't going to have a war. We're going to have the "appearance" of a war.

AMES

I'm not sure we can afford to have the "appearance" of a war.

BREAN

What's it gonna cost?

(HE SHRUGS AND STARTS TO ROLL OVER TO GO TO SLEEP.)

AMES

But, but, but, "they" would find out.

BREAN

Who would find out?

AMES

...the...

(HE GESTURES OUT OF THE WINDOW)

BREAN

The American "people"?

AMES

Yes

BREAN

Who's gonna tell'em.

AMES

(AS IF REHEARSING IT TO HIMSELF)

...you want us to go to War...

BREAN ROUSES HIMSELF, SHRUGS, TAKES OUT A NOTEBOOK, AND BEGINS TO WRITE.

BREAN

...that's the general idea.

AMES

Why?

BREAN

Why not, what've they ever done for us...? Also: they sound... Ah, you see, this is why we have to mobilize the B-2 Bomber...

AMES

...they sound what?

BREAN

Shifty. Who knows anything about em...

AMES

Hold on, hold on, hold on:

BREAN

Well, I'm gonna hold on, but you went to win this election, you better change the subject. You wanna change this subject, you better have a War. What do you need? It's gotta be quick, it's gotta be dramatic, you got to have an enemy. Okay? What do you need in an enemy? Somebody you fear. Who do you fear? Som'b'y you don't know.

AMES

Who?

BREAN

Well, I'm working on it....

BREAN

Precisely.

AMES

What did Albania ever do to us?

BREAN

What did they ever do for us...?

BEAT. MOSS LOOKS AT BREAN.

MOSS

How close are you to this thing?

BREAN PICKS UP A CELLPHONE FROM THE TABLE, AND DIALS

BREAN

(TO MOSS)

What do you want the kid to say?

MOSS LOOKS AT BREAN APPRAISINGLY.

MOSS

Have him say, 'I know we're all concerned for the President, there will be an update at 5:45.'

AS MOSS SPEAKS BREAN NODS TO AMES, SPEAKS INTO THE TELEPHONE.

AMES

(INTO PHONE)

Have the kid say I know we're all concerned for the President. There will be an update on his condition at 5:45.

THEY BOTH TURN TO WATCH THE SCREEN.

LEVY

(ON TV)

...no information whatever on Fundamentalist...

(HE HOLDS HIS HAND TO HIS EARPHONE)

I. I just want to say I know we're all concerned for the President, there will be an update on his condition at five forty-five...

MOSS LEANS OVER AND TURNS DOWN THE VOLUME ON THE TV.

BEAT.

MOSS

Well. You bought yourself one day. Maybe two.

BREAN

String a few together. All I need's eleven,

MOSS

How you going to stretch it?

(HE GESTURES AT THE TV)

This won't hold for eleven days. Guy fucked a twelve-

year-old...whadday're gonna do to hold that off?

BREAN

What do you think would hold it off?

MOSS

Uh, nothing, oh, nothing ... uh... a War, uh...

(HE PAUSES, THEN LOOKS AT BREAN WITH
COMPREHENSION.)

You're kidding.

BREAN SHAKES HIS HEAD NO.

MOSS

I'm a Jew in Show Business. Why come to me?

BREAN

I'm gonna tell you why...

BREAN LEANS CONSPIRATORIALLY, OVER TOWARD MOSS.

BREAN

Here's the Short Course: Fifty-Four, Forty or Fight.
What does that mean?

MOSS

Uh, it's a slogan. From, uh...

BREAN

Remember the Maine...

MOSS

That's from the ... it's got to be from the...

BREAN

Tippecanoe and Tyler, Too!

MOSS

...uh ... No, that's...

BREAN

We remember the slogans, we can't even remember the
fucking wars. Y'know why. Cause it's show business.
That's why I'm here. Naked girl, covered in Napalm.
Five marines Raising the Flag, Mount Suribachi.
Churchill, V for Victory, Y'remember the Picture, fifty
years from now, they'll have forgotten the war. Gulf
War? Smart Bomb, falling through the roof. 2500
missions a day, 100 days, One Shot of One Bomb. The
American people bought that war. M'I getting through
to you? War in the Balkans, don't mean nothing, till
some G.I. flyer, went down, Eating Snakes for Ten days.

N'then It's show business, Mister Moss. That's why I'm here.

ANGLE

AT THE POOL DESK. THE ATTENDANTS AND THE GUESTS ARE WATCHING THE TELEVISION.

ON WHICH WE SEE COMIONTATOR TALKING ABOUT A MAP OF ALBANIA.

THE SCENE SHIFTS TO THE SHOTS OF THE PRESIDENT BEING PRESIENTIAL, AND WE

HEAR, "THANK HEAVEN, FOR LITTLE GIRLS..."

AMES WINCES, WE SEE THE POOL ATTENDANTS LAUGH.

BREAN

It's like being a producer, Mr. Moss. The Things in Trouble. Somebody's got to wade in, save the thing.

(PAUSE)

You get the Actors get up there, and strut and Posture. But somebody, knows what's what, got to jump in and Save the Thing.

(PAUSE)

THEY LISTEN TO THANK HEAVEN, FOR LITTLE GIRLS, AND THEY LOOK AT MOSS.

PAUSE

MOSS

Why Albania?

BREAN

Why not?

MOSS NODS DECISIVELY. AS IF TO SAY, "BY GOLLY, NOW YOU'RE TALKING..."

MOSS

Pat? Pat?

ONE OF THE ATTENDANTS RAISES HIS HEAD FROM THE TV AND SPRINTS OVER TO THE

CABANA, WHERE WE SEE MOSS AND BREAN DEEP IN CONFAB. MOSS GESTURES TO THE

TRAY WITH THE JUICE AND THE CELERY.

MOSS

...throw this shit out. Gemme a pot of coffee and a packet of Camels.

INT MOSS'S HOME, AFTERNOON.

A GREENE AND GREENE BUNGALOW IN THE HOLLYWOOD HILLS, AMERICAN ART POTTERY

ALL AROUND. MOSS IN BLUEJEANS AND A HAWAIIAN HAT, PACING BACK AND FORTH,
SMOKING LIKE A CHIMNEY.

MOSS

But at some point they gotta know.

BREAN

Who?

MOSS

The...

(HE GESTURES OUT OF HIS WINDOW,
MEANING, "THE PUBLIC")

BREAN

"They Got To Know?" Stan...? Get with it. Who Killed Kennedy...? I read the first draft of the Warren Report, said he was killed by a Drunk Driver. You watched the Gulf War. What did you see? Day after day, the one "Smart Bomb" falling into a building. The truth, I was in the building when they shot that shot, they shot it in a studio, Falls Church Virginia, 1/10th scale model of a building.

MOSS

Is that true?

BREAN

How the fuck do we know. You take my point?

MOSS

(SHAKING HIS HEAD)

...going to War...

BREAN

It's not "war." It is a Pageant. It's a Pageant... Like the Oscars... why we came to you...

MOSS

I never won an Oscar.

BREAN

N'it's a crying shame. But you staged the Oscars...

MOSS

Yes. Indeed I did.

(PAUSE)

HE LOOKS OVER AT HIS WALL FULL OF PLAQUES AND TROPHIES.

MOSS

(CONT.)

You know, you're a writer, that's your script. You're a director...

(HE GESTURES, ET CETERA.)

But if you're the producer ... what did you do?

(PAUSE)

What did you do? All you've got is the credit...

(PAUSE)

Some plaque on the wall...

HE SHAKES HIS HEAD SADLY.

BREAN

And if you never won an Oscar, How'd you like an ambassadorship...

(PAUSE)

MOSS

Hell, I'd just do it for the hell of having done it, for a story to tell...

BREAN

Well, no, well, you couldn't tell any...

MOSS

Hey, I know that, hey, I'm kidding...

(PAUSE)

"It's a pageant"

BREAN

...that's what it is.

MOSS

(TO HIMSELF)

"The Country Is At War."

(PAUSE)

BREAN

It's Miss America, N'you're Bert Parks.

(PAUSE)

MOSS

...Yoha, Yoha... Yoha.

(PAUSE)

Why Albania?

BREAN

Because.

MOSS

They got to have something that we want.

BREAN

I'm sure they do.

MOSS

What do we have that they want?

BREAN

"Freedom."

MOSS

Why would they want that?

HAKAN

They're Oppressed.

MOSS

No, no, no. Fuck Freedom. No. Fuck Freedom. They.... They Want... They Want To Destroy the Godless Satan of the United ... They want to destroy our Way of Life. Okay, okay, okay, could we ... okay: the President is in China. He is dealing with a Dispatch of the B-2 Bomber to Albania. Why?

(HE SHRUGS, HOLDS UP HIS HANDS, TO SAY,
"YOU TELL ME...")

AMES

Alright, well, alright: geopolitically...

MOSS GESTURES FOR SILENCE.

MOSS

We've just found out They Have the Bomb. We've Just Found Out They Have The Bomb, aaaand... No, No wait a second, no, no, wait a second, No. The Bomb's not... it's not there -- because they'd have to have a rocket and that shit n'they're a buncha wogs-- it's ... it's a suitcase Bomb. Oookay. It's a suitcase bomb, and it's in Canada! Eh? Albanian Terrorists have placed a suitcase Bomb in Canada, in an attempt to infiltrate the bomb into the USA.

AMES

You know what? This is good. This is terrific, and I'll tell you why: it's cost effective. This is....

MOSS

(SHRUGS)

It's producing.

AMES

No, this is great.

MOSS

I could tell you stories: Cecil B. Demille: Alright?

MOSS

(ON THE PHONE)

And get me the Fad King. No. Get him First...

(TO BREAN)

We don't need an Act Two?

BREAN

We've just got to hold their interest for ten more days, till the Election.

MOSS

...it's a Teaser!

BREAN

It's a teaser, absolutely right,

AMES IS SEEN IN THE B.G. ON THE CELLPHONE.

AMES

(ON THE PHONE, SOTTO)

The thinking is, as of this moment, Terrorism...

(HE COVERS THE PHONE)

...they're getting a Good Reaction on the "Albania" thing...

BREAN SHRUGS, TO SAY, "OF COURSE."

MOSS

(ON THE PHONE)

Hello, King. How the heck are you...?

(PAUSE)

Get out...

(PAUSE)

Get out... Well, man, you fall in love like a Hillbilly...

(HE COVERS THE PHONE, EXPLAINING TO THOSE NEAR HIM)

Ditch the wife, toss the kids in the Pick-up,

(HE GESTURES, MEANING, YOU KNOW...)

(To THE FAD KING)

Listen, King: Get your fat redneck ass out here, willya...

AMES

(TO BREAN, STILL HOLDING THE PHONE TO HIS EAR)

...but the President wonders about the Possible Albanian Backlash...

BREAN

(SHRUGS)

You can't have a war without an enemy.

MOSS

(ON PHONE)

No, King, I need you here yesterday...

(TO BREAN)

How long do I need him for?

BREAN

(CORRECTING HIMSELF)

Well, you could have one, but it'd be a very ineffective war...

(TO MOSS)

We're done in 10 days...

MOSS

Ten Days.

(COVERS THE PHONE)

There going to be any Back End in this thing?

BREAN

W...what?

It was a put-up job?
(BREAN GIVES HIM THE LOOK AGAIN)

But where was the, where was the money in that?

BREAN
In the yellow ribbon.

AMES

that...

BREAN

MOSS
(INTO THE PHONE)

Speaking of thanks... we puttem back in, what does your fellow Moss want?

BREAN

I dunno.... Ambassador to Togo, somethin', I dunno... he...

AMES

Maybe he's just a patriot.

BREAN

Yeah...what was I talking about...?

AN AIDE APPEARS WITH A SANDWICH, AND BREAN STARTS TO EAT.

AMES

How long you been up, you need a nap.

BREAN

(SHAKING HIS HEAD)

Due in Nashville.

AMES

Nashville...?

BREAN

We're gonna do the Team Song.

AMES

You're tired, Ronnie.

BREAN

Y'wanna follow the Cattle Drive? Sleep in the Winter. What does Moss want...? Matchmaker comes to the Levinsky Family. Mr. Levinsky, Mrs. Levinsky, would you entertain an offer of marriage for your son Saul, from Princess Margaret of Great Britain. Well, they

ANGLE THEIR POV

YALIE

Found'em as quick as we could, sir.

MR. YOUNG

MR. YOUNG

YALIE)**

I know who you are, Mr. Ames.

AMES

I was acting as a Private Citizen. Nothing that I've done should be construed as reflecting on the orders or intentions of anyone with whom you may have reason to believe I am connected with.

(PAUSE)

Or in whose employ...

MR. YOUNG

Quite touching.

AMES

And I take this opportunity to suggest that, equally, I admit to nothing, and that I would like my lawyer present.

MR. YOUNG NODS.

MR. YOUNG

Guess what? We show, and N.S.A. confirms, there are no nuclear devices on the Canadian border.

(PAUSE)

There are no nuclear devices in Albania. Z'at put us in something of a pickle?

Albania has no nuclear capacity. Our spy satellites show "no secret terrorist camps" in The Albanian Hinterland. The F.B.I. and the Border Patrol, And the R.C.M.P. report no repeat no untoward activity along our picturesque Canadian Border. My name is Ronald Brean.

MR. YOUNG

Who're you working for?

BREAN

Nobody whose name you want me to say, Mr. Young, I promise you.

MR. YOUNG

S'all very well, but when the Fit hits the Shan, somebody's going to have to Stay After School, and who do you 'spose that might be.

BREAN

S'only got to hold for another few days.

MR. YOUNG

Well, I'm not interested in how long its "got to hold for."

BREAN

What are you interested in?

(PAUSE)

MR. YOUNG

I'm interested in the Security of My Country, Mr. Brean.

BREAN

(SIMULTANEOUSLY, WITH THE ABOVE SPEECH)

Well, I'm sure that speaks very well of you and for your parents. But if forced to choose between the security of the country and the security of your Job, which would you pick. And, while you hesitate, permit me to suggest that they are one and the same. Your country and your job.

MR. YOUNG

I'm doing my job, Mr. Brean. That's what you see me doing here. What is it you thought you were doing?

AMES

And I'd like to point out that I've been on prescription medication, the side-effects of which...

MR. YOUNG

What's on your mind?

BREAN

I have a question for you.

MR. YOUNG

Ask it.

BREAN

Why do people go to war?

MR. YOUNG

Why do people go to war?

MR. YOUNG

I'll play your silly game.

BREAN

Why do they go to War?

MR. YOUNG

To preserve their Way of Life.

BREAN

Would you go to War to do that?

(PAUSE)

MR. YOUNG

I have.

BREAN

Well, I have, too. Would you do it again...? In't that why you're here? I guess so. N'if you go to war again, who is it going to be against? Your "ability to fight a Two-ocean War" against who? Sweden and Togo? Who you sitting here to Go To War Against? That time has passed. It's passed. It's over. The War of the Future is Nuclear Terrorism. It is and it will be against a Small Group of Dissidents who, unbeknownst, perhaps, to their own governments, have blah blah blah. And to go to that war, you've got to be prepared. You have to be alert, and the public has to be alert. Cause that is the war of the future, and if you're not gearing up, to fight that war, eventually the axe will fall. N'you're gonna be out in the street.

(PAUSE)

(HE LOOKS AT THE VIAL)

We're gonna need a whole lot more of this....

AMES

Well, get on the phone, and get it...

MOSS

You know, I think you people are looking at this All Wrong. If you look at the backstory -- the guy's coming back from Combat and Torture. Of course he is gonna be ... uh ... uh ... "fucked up". Of Course he's gonna "need a little help"...

(GESTURES PUTTING A HYPODERMIC IN HIS ARM)

Hello? No, operator...

MOSS ADMINISTERS A PILL TO SCHUMANN.

SCHUMANN

What the fuck did you mean, "What kind of stuff?"?

MOSS

(TO BREAN)

...this is nothing. This is nothing. D'you ever shoot in Italy? Try three Italian starlets on Benzedrine, this is a walk in the park...

SCHUMANN

(AS IF COMING TO)

...who are you?

(PAUSE)

Who are you sonofabitches...

(HE LOOKS AROUND WILDLY)

AMES

BREAN

"Hush little baby, don't say a Word...Pappa's gonna buy you a Mockingbird, if that Mocking bird don't sing, Poppa's gonna buy you a diamond ring..."

AMES, SIMILARLY BRUISED, STUMBLES FROM THE PLANE BEHIND HIM.

BREAN

ANGLE, AS HE LEANS INTO THE PLANE. WE SEE MOSS, LYING IN A HEAP, MOSS
COMES
TO.

MOSS

...what happened...?

BREAN

I think we were experiencing a Little Technical
Difficulty.

MOSS

How's our friend?

BREAN SETS UP THE TELEVISION. TURNS IT ON.
HE SITS, AND TAKES THE BOTTLE FROM BREAN, AND DRINKS.

MOSS

..."Courage. Mom"...

BREAN HAS KICKED THE TELEVISION INTO LIFE, WE SEE A MAN AND WOMAN

(HE HITS THE TV)

Can't ya Talk, you sonofabitches...?

MOSS

What the hell do we care?

BREAN

Eh? I'm like the Rest of America. I don't care -- I'm
just addicted to it...

A PHOTO OF SCHUMANN COMES ON THE TELEVISION. BREAN STUMBLES BACK INTO
THE

How's our friend? What is he, "dead?"

BREAN

Wake up.

MOSS

Is he dead?

AMES

Is he dead?

(PAUSE)

Is he dead? ARE YOU DEAD? WAKE UP. You stupid, nun-raping sonofabitch.... wake up... WAKE UP. Do you want to spend the rest of your life in JAIL? WAKE UP! Do You Know Who I AM??? I'm talking to you...

SCHUMANN BEGINS TO ROUSE HIMSELF.

SCHUMANN

Z'it time for Exercise?

(PAUSE)

Cause it's my Day on the Yard.

BREAN

Courage, Mom.

AMES

Oh. Hell. And what do we do now? What do we do now? Boy Producer?

(PAUSE)

Mister Win-an-Emmy, Social Conscience, Whaleshit, save-the-rainforest, Liberal hire-a-convict shithead? Mister Affirmative-Action Peacnik. Commie... shithead....?

MOSS

(PAUSE)

This is nothing. ...piece of cake. Y'know, producing is being a Samurai Warrior. They pay you, day in, day

out, for Years, so that, ONE DAY, when called upon,
you can respond, your training At Its Peak, and save
the day.

ANGLE

**BREAN, SHAKING HIS HEAD. IN THE B.G., MOSS, DRINKING.

COMMENTATOR

...long overdue, its absence unexplained.

THE NEXT SHOT IS SENATOR BUD NOLE, SPEAKING EARNESTLY AT THE CAMERA.

NOLE

...this...regrettably absence... this ...tardy absence
of the flight. Must give us pause. And, in that pause
we should take time to examine ourselves, our plans,
and our future. There has been an ...interregnum -- if
you will, of reason, while we've watched unfold this
drama..... on the world scale...

AMES

(TO HIMSELF)

...I hate this cocksucker...

NOLE

And, now, end how it will, this drama is done...

**ANGLE MOSS, AS HE WANDERS BACK TO STARE AT THE SCREEN. THE VAST
FIELDS
STRETCHING AWAY IN THE DISTANCE**

NOLE (C)

(HE HOLDS UP A PHOTO OF THE PRESIDENT)

And we must consider this man. This man...who, you
will remember, was discovered, scant days ago, in a
situation which must debar him from Public Office...

(HE HOLDS UP A SHOT OF THE PRESIDENT

AND THE GIRLSCOUTS)

And I say, when we take time to reflect, there're going
to be a lot of apartments for rent in Washington,
Election Day. Two days from now, Folks...Don't forget
to vote.

MOSS

No, I didn't think so.

**AMES KICKS IN THE TELEVISION. HE MOVES TO SCHUMANN AND LIFTS HIM TO
HIS FEET.**

BREAN

(DRUNKENLY)

Leav't alone. Wha'd television ever do to you? Ate your life, ruin'd your Culture, but...

AMES FINISHES DESTROYING THE TV.

AMES

IT DESTROYED THE ELECTORAL PROCESS.

HE FINISHES RAGING AT THE TELEVISION SET. PAUSE.

MOSS

Come on.

AMES

MOSS

Come on.

(PAUSE)

You follow me...?

MOSS

Get on your feet, boy.

BREAN

Uh huh...why?

MOSS

We're going home. We're going home together...

BREAN

We have no home. We're vagrants. N'each man's hand's against us. We killed Old Shoe...

(HE BEGINS TO WEEP)

We killed the Schuster...spend our life in a packingcrate...Where are you going...?

MOSS STARTS CODDLING SCHUMANN.

MOSS

Come on, Pal, come on Willie, come on, Old Shoe...

SCHUMANN

Just want to take a nap.

MOSS

He's not dead, Ronnie. He's just a little understandably, fatigued.

(PAUSE)

Let's get him to some help...

SCHUMANN

...gimme some help...

MOSS

That's right, we'll take a nap. We'll get you to Washington, we'll get you Back to your Buddies, and...

SCHUMANN

...just want to Get Back to the Beans...

MOSS WALKS TO BREAN, AND STARTS KICKING HIM.

MOSS

Come on, you fucking sissy, you think this is tough? Try show-business. 1970-1990, n'ybody I worked with, y'could of bottled their piss n'sold it in the ghettos...

(TO SCHUMANN)

Come on, Pal...

BREAN

I'm tired.

Problem? F'it was easy, anyone would do it.

(PAUSE)

Otto Preminger. Had to film a scene, in EXODUS. The
proclamation of the State of Israel. Needed twenty
thousand extras, n'Jerusalem Park. Not enough money to

MOSS

...how do we Explain That? Hey? Am I worried...?

AMES

...how do we explain that? With the World Watching.

MOSS

Fuck the world. Try a ten A.M. pitch meeting, no sleep, coked-to-the-gills, and you haven't even read the material.

AMES

But how do we explain the fact he was in prison?

MOSS

How do we explain that? Ah, well, you see, Wilfred, this is where you've never been at a pitch. You see? His records say he was in prison ... as they must, as all the records of Group 303 have the men and the women, carried on their roster, as belonging somewhere else, the secrecy required of....

SECOND MEDIA GUY

Eighty-nine percent favorable, is based not on events...
