

PATH Academy

Pre-Apprenticeship Training in Health Care Academy

September 14 – November 13, 2020
English Language Learner Focus

October 12 – 30, 2020
Direct Support Professional Focus

January 11 – 29, 2021
Medical Office Focus

Online Monday-Friday

9:00 a.m. to 1:00 p.m.

With additional assignments to be done outside of class

To register, go to: scahecak.org/events.html
Click "Register for PATH Academy Here"

Important note: Computer access and reliable internet are required. If allowable by municipal guidelines, some in-person training may be included. Limited spots available. Registration on this site is NOT a guarantee of a slot at this training. Applicants will be notified via email of acceptance a week prior to the beginning of the training.

Why should you hire a PATH Academy graduate?

Students who successfully complete the PATH Academy are an incredible resource for employers. They have the training and certifications that allow them to be ready to work almost immediately.

Trainees will receive certifications in CPR/First Aid, Mental Health First Aid, and Bloodborne Pathogens. Our Direct Support Professional Focused PATH also includes Alaska Core Competency training through the Alaska Training Cooperative. Students learn skills in professionalism in the healthcare setting as well as HIPAA, Medical Terminology, and Professional Communication.
