

FREE BARIATRIC TELEPHONE / ONLINE SUPPORT GROUPS

Join the BSCI Dream Team for our unique brand of support. Our telephonic & online support groups provide a secure, welcoming setting for people who have had or are considering having weight-loss surgery or who just want to lose weight. Groups last about one hour, but you may come and go as you please. All weight-loss surgery patients, supporters, and investigators are welcome to participate, learn, share, or just listen in.
