2020-2021 VPK School Year Provider List: Pending & Approved

PROVIDER LIST VOCABULARY:

- **Pending:** A status that means the provider’s annual renewal or initial contract is still in progress and has not yet been approved by the coalition. Please contact the provider for “TBD” details.
- **Curriculum:** A planned sequence of instruction to help VPK providers conduct age-appropriate activities and meet the required FL Standards (<http://www.floridaearlylearning.com/vpk/vpk-providers/the-vpk-class>). “Other” means that the provider is using a curriculum that is not yet recognized by the Florida Office of Early Learning (OEL).
- **Readiness Rate:** The purpose of the Florida Kindergarten Readiness Screener (FLKRS) is to gather information about a child’s overall development and address each student’s readiness for kindergarten based on the Florida Early Learning and Developmental Standards for Four-Year-Old’s. The FLKRS is also used to calculate VPK Provider Kindergarten Readiness Rate, which measures how well a VPK provider prepares 4-year-olds to be ready for kindergarten based on the standards. Section 1002.69, Florida Statutes, describes Department of Education responsibilities for statewide kindergarten screening and calculating VPK Provider Kindergarten Readiness Rates. The law requires statewide kindergarten screening be administered within the first 30 days of kindergarten. There are also opportunities for private schools to administer the screening if they like. A score from 0-100 is given to the VPK Providers who had enough children screened. A Score of 60-100 is satisfactory. A score below 60 indicates the VPK Provider will be implementing an “Improvement Plan”. For more information, you may visit the Florida Office of Early Learning website: <http://www.floridaearlylearning.com/coalitions/coalition-resources/florida-kindergarten-readiness-screener>

CHILD REGISTRATION:

The VPK child registration process is entirely online through the statewide Family Portal (<https://familyservices.floridaearlylearning.com/Account/Login>). For more information about VPK, please visit our website (<http://elcalachua.org/vpk/>) or call 352-375-4110 and enter extension 333.
