

# Sensory Scrying

The power to **perceive through other beings' senses**. A sub-power of [Telepathy](#) and variation of [Clairvoyance](#).

## Also Called

- Sense Borrowing
- Parasitic Senses
- Sensory Synchronization

## Capabilities

The user can "hitch-hike" other beings' senses and experience what happens as they were them. This power grants the user with the ability to taste, feel, smell, see and/or hear from others senses. It allows the user to experience the world as their target would.

## Variations

- [Animal Scrying](#)
- [Empathic Hearing](#)
- [Visual Linking](#)

## Associations

- [Enhanced Senses](#)
- [Extrasensory Perception](#)
- [Hive Mind](#)
- [Mental Manipulation](#)
- [Possession](#)
- [Shared Vision](#)
- [Visual Linking](#)

## Limitations

- May only be able to sense through the senses of certain kinds of beings, such as mammals, rodents, or even just squirrels.
- Users own body may be helpless while they are using someone elses senses.
- Unless user has some ability to control the being they are using, they have no control over where it goes and what it perceives.
- Some beings have so different sensory abilities that they are hard to understand
