September 8th, 2018

Dear David,

Please find enclosed a donation of \$3000 from Kawartha Whitewater Paddlers club for improvements on the Gull River's Minden Whitewater Preserve. Our club raised these funds through Marmora Area Canoe and Kayak Festival (MACKfest) over several years. In 2018 the following sponsors contributed prizes, which we used to raise funds with:

- WRSI - Whitewater Research and Safety Institute
- IR - Immersion Research
- NRS – Northwest River Supply
- Trailhead Kinston
- MKC - Madawaska Kanu Centre
- Trailhead Paddleshack
- Kokatat
- Paddle Sport Repairs
- Kawartha Dairy Company
- Snap Dragon
- H2O Performance Paddles
- Teamscum.com
- American Whitewater
- Marmora Inn
- Frontenac Outfitters
- Algonquin Outfitters
- Wilderness Tours
- The Complete Paddler
- Watershed Sales

We would like to thank you personally for the hard work and commitment you have demonstrated, and all of the WO board and its volunteers, in developing and maintaining Minden Whitewater Preserve. As a paddling club, we are very fortunate to have access to the Gull River within the Kawarthas.

Sincerely,

Eric Chaplin
President – KWP Board
