

## **Galioto's Evening Banquet Menus**

Thank you for choosing Galioto's Twelve21 for your banquet! Meg Galioto, your banquet coordinator, will be available for all of your questions and is on hand to help you coordinate your function.

All guests have the option of "Sit Down" dinner events or "Buffet Style" events.

### **Dinner Buffet**

(Served after 3:00 pm)

Buffet dinners allow your guests to sample the many different tastes, colors and textures of delicious foods offered at Galioto's Twelve21.

The first course on our hot buffet is a house garden salad and hot rolls served right to the table. After the first course is served and cleared, guests may take a plate and help themselves to a variety of hot and cold offerings.

For a hot buffet function, you, the party planner, may choose two or three "entrée" selections and three "cold tray/salad" selections. All hot buffet dinners include fresh, hot vegetables and coffee or iced tea.

Please contact Meg with your choices and questions. We'll be happy to help you design your buffet.
